Report 102 Known Injured And Property Damage Of Many Millions

(International News Service)  
SHREVEPORT, La., Mar. 31.—Twenty-four persons were dead and 102 were suffering from injuries today in the wake of a tornado which whirled northward last night across eastern Texas, northwestern Louisiana and lower Arkansas.

Ripping its way across the lumbering camp territory of eastern Texas, the tornado uprooted trees, leveled hundreds of homes in towns and villages in its path. Heavy rain and hail accompanied the storm.

Derricks Leveled.  
In southwestern Arkansas the winds leveled derricks in the oil fields and scattered shacks and homes about the countryside. Property damage in Texas and Louisiana was high, preliminary reports showed.

The tornado took its toll of lives in Halls Summit, La., Mount Holly in southern Arkansas and San Augustine, Huntington, Shelbyville and (Continued On Page Two)

## PA NEW OBSERVES

Beware—tomorrow is April 1.

There was considerable doubt as to whether March came in like a Lion or Lamb, and the weather today gives just as much room for doubt about the exit.

Spring is here, likewise the honey bees. Sounds strange perhaps, but nevertheless it is true. Several of them played tag with a News reporter who strolled by the Colonial hotel yesterday. They finally gathered on a tree that stands in front of the hostelry.

And now that warm weather attempted an entry yesterday it did not take long for the East Washington street bridge "birds" to find a seat on the bridge. A dozen sat there during the sunny portion of yesterday afternoon. With warmer weather the crowd will grow bigger.

Ardent fishermen are looking over their tackle now, getting ready for the opening of the trout season, which will be ushered in on April 15. There are 2,400 miles of excellent trout streams in Pennsylvania. Secretary Lewis E. Staley of the Department of Forests and Waters states, all of which are well stocked.

This is certainly a big week for the home talent performers. Last night 200 performed in the Y circus at the Y. M. C. A. gym and the Penn Power company minstrel troupe performed at the George Washington junior high school auditorium. Tonight the senior high school players will present a play at the senior high auditorium, and the Y circus will be repeated.

It's too bad that something cannot be done towards improvement of Euclid avenue in the vicinity of the George Washington junior high school. With a magnificent building in use for several years, nothing has ever been done towards permanent improvement of the streets leading to the building.

### NEAR FINAL STEPS ON PYMATUNING PROJECT

With the passage of the Stevenson bill in the house of representatives, calling for \$500,000 for final work on the Pymatuning Dam, the success of the idea in the general assembly seems an assured fact. Over a week ago the Batchelor bill which has the same provisions went through the senate, so that each house is on record as favoring the idea, but in different bills.

To get the matter to the governor it is necessary now that either the Batchelor bill pass the house or the Stevenson bill pass the senate. When this is done it is felt that the governor will sign the bill and thus provide the money for the erection of a spillway at the dam, and for the relocation of some highways that will be covered.

It is understood that an effort will be made the coming week to get one of the two bills out of committee in the opposite house so that final passage may be had before the usual biennial legislative jam gets under way at the end of the session.

## Assemble Gigantic Plans For Forestry Employment Project

Government Will Set In Operation Plans To Employ 250,000 In Forests

Each State Will Be Given Quota Of Men, Warm Clothing Needed

By EDWARD B. LOCKETT  
International News Service Staff Correspondent

WASHINGTON, Mar. 31.—President Roosevelt today signed his reforestation bill designed to give 250,000 unemployed men work in the national forests.

WASHINGTON, Mar. 31.—A gigantic governmental machine was being assembled today for employing a quarter million idle men under President Roosevelt's reforestation program. The skeletonized structure of the plan was complete, but details remained to be worked out. The secretaries of agriculture, war, labor and the interior labored in an effort to put the scheme in operation within a fortnight. When complete, the program will be:

State Given Quota  
Each state will be given a quota on the basis of the number of its unemployed. The Labor department will then enroll up to these quotas. Welfare agencies will be used to a large extent in enrollment work. After enrollment, the War department will take over the personnel. Workers will be transported to army posts temporarily. This will be handled by commanders of the nine army corps areas. At the army post concentrations, the men will be outfitted for their work and examined physically. When all this has been completed, (Continued On Page Two)

### State Highway Projects Have Employed Many

Road Work Employed 1,700 Men In County Last Year, Lightner States

State highway projects which were carried out in Lawrence County during the past year, gave employment to 1,700 different men, relieving the unemployment situation considerably, H. W. Lightner, superintendent of Highways for Lawrence County stated this morning. In addition to the number employed at various times during the past year, 900 different men have been given work so far this year and as soon as the weather breaks, between 500 and 600 men will be at work on state projects in the county. A half dozen extensive projects were carried out during the year, some of which have not as yet been completed, and it is likely that several other jobs will be started this spring for completion during the summer months, which will furnish employment to a number of men.

### Anti-Jewish Boycott Will Be Called Off

(BULLETIN)  
By WALTER DITZEL  
International News Service Staff Correspondent

BERLIN, Mar. 31.—The anti-Jewish boycott which was to be launched tomorrow morning will be called off at 8 o'clock tonight (2 p. m. Eastern Standard Time), it is officially announced.

This action, it is understood, will be taken as the result of informal assurances from abroad that anti-German agitation in connection with the boycott plans is subsiding.

The announcement was made at a moment when all plans had been made for a nation-wide drive tomorrow against Jewish enterprises of all kinds and when Nazi volunteers were preparing to go into action, picketing Jewish shops through the nation.

Arrangements were made at once to telegraph orders to Nazi chiefs in every city and village, demanding strict compliance with the order.

### Governor Pinchot Seeks U. S. Loan For Aid In April

Makes Visit To President Roosevelt And R. F. C. Board At Capital

TWO MILLION TO FEED IN STATE

State Has Provided For Part Of Fund Needed For April Relief

(International News Service)  
WASHINGTON, Mar. 31.—Pennsylvania needs government loan of \$3,350,000 with which to care for its destitute unemployed during April, Gov. Gifford Pinchot said today when he called at the White House to talk with President Roosevelt.

After his conference he conferred with directors of the R. F. C. relative to getting an additional loan for his state for this amount. "The state needs \$8,700,000 to get through the month of April," the governor said. "We have about half this amount and want the R. F. C. to loan us the remainder."

"There are about two million persons in my state who have to be fed," he said. He has been hammering away at his legislature to enact a relief program but so far no definite program has been offered. He is seeking the \$3,350,000 loan as a "stop-gap" for April's needs.

Need Aid For April.  
HARRISBURG, Mar. 31.—Faced with a \$3,000,000 shortage in financing Pennsylvania's April relief program, Gov. Gifford Pinchot left here today for Washington in an attempt to obtain additional federal loans.

The governor was to confer with President Roosevelt at 11:45 a. m. and then make a personal appearance before the Reconstruction Finance corporation directorate. His chief argument of persuasion was the Pennsylvania legislature's passage of the Talbot bill appropriating (Continued On Page Two)

### All Day Parking Downtown To Stop

Chief Of Police John F. Haven Is Planning New Parking Regulations

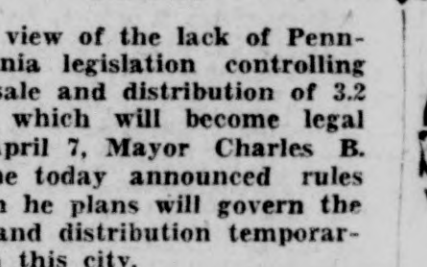

Chief of Police John F. Haven is busily engaged at the present time in planning new parking regulations for such streets as North and South Jefferson street, North street and other streets, downtown, where all day parking has been prevailing. The new plan will be for hourly parking in these downtown streets. The change is the result of complaints of many merchants and others who have found it impossible to make any use of parking space on these streets because of cars that have been parked there all day. It is believed that this change will have a beneficial effect on business.

## MAYOR ISSUES RULES TO GOVERN SALES OF BEER IN NEW CASTLE

(Special To The News)  
BEVERLY HILLS, Cal., Mar. 31.—Glad to see that reforestation and employment bill pass. We got to have a lot more forests and trees, otherwise these cigarette smokers won't have anything to burn up. Say here is something that, for the good of the internal revenue collectors ought to be made straight. We all kinder smile, and the papers headline it, any time that somebody gets a refund on their income tax, that's given wide publicity, but here is something that everybody don't know, because they are not allowed to publicize it. They collect lots more back disputed taxes than they pay out. It's news if you can get anything out of the government, but if the government gets anything out of you, that ain't news; that's just a habit. But Uncle Sam has no more faithful, or fair servants. Yours, Will Rogers

Mayor's Statement  
On Friday, April 7, we will be confronted with an unprecedented situation in New Castle. Under the authority of the Federal government the manufacture and sale of 3.2 beer will be legalized. The Federal government has placed the responsibility of the control of sales and distribution upon the states and the General Assembly of Pennsylvania has not yet enacted any law covering the situation. The time element means that it will be impossible for any such bill to be passed and signed before April 7.

"There is a question whether city council can act to control the sales and distribution of beer and even though it could, again the lack of time would prohibit the passage of an ordinance covering the case. "Some restriction is necessary. If there is none we will be confronted with a flood of legalized beer on April 7 which if not controlled in some fashion will certainly cause annoyance and perhaps trouble. "It seems to me that this is no time to seek for the fine technicalities of the law in an effort to ascertain just where the authority of the mayor of this city begins and ends. His office is head of the police department. His task is to prevent (Continued On Page Two)

### REVEAL FRUSTRATED PLOT FOR ESCAPE OF TRUNK MURDERESS

(International News Service)  
FLORENCE, Ariz., Mar. 31.—A plot for the daring escape of Winnie Ruth Judd condemned "double trunk" murderess, from her cell in condemned row in the state prison here, was revealed today at the office of Warden A. G. Walker.

A warrant has been issued for the arrest of the "Velvet Tigress" young brother, Burton McKinnell, for attempting to aid his pretty blonde sister to escape, it was revealed.

Saws Are Found.  
Authorities want to question McKinnell about the presence of two small saws found in Mrs. Judd's cell.

Mrs. Judd had almost sawed two bars in two before attendants discovered what she had done, it was stated at the warden's office.

Only the plea of the killer's elderly mother, Mrs. H. J. McKinnell, Darlington, Ind., prevented prison officials from putting Mrs. Judd in the dungeon.

Occurred Three Weeks Ago.  
At the warden's office it was declared that Mrs. Judd's hands were "raw and bleeding" when she was thwarted in her plot to escape. The attempt to escape occurred "about three weeks ago," the warden's office disclosed.

It was said at the prison that young McKinnell, formerly a university student at Los Angeles, had visited his sister a short time before the plot was discovered.

Despite the denial of her plea for mercy yesterday by the state pardon board which ordered that Mrs. Judd be hanged April 21, the blonde slayer passed a "peaceful night" in her cell, it was stated at the warden's office. Her white-haired mother, Mrs. McKinnell, was allowed to pass the night with Mrs. Judd in her cell.

Counsel For Woman Will Make Last Effort To Prevent Hanging

EXECUTION DATE IS SET APRIL 21

Arizona Pardon Board Refuses To Either Pardon Or Commute Sentence

(International News Service)  
PHOENIX, Ariz., Mar. 31.—Close guard was kept today over Winnie Ruth Judd, condemned "trunk murderess," lest she carry out suicide threats. Meanwhile her lawyers renewed their battle to save her from the noose in the face of a denial by the Arizona board of pardons either to pardon her or commute her sentence.

Hysterical and screaming, Mrs. Judd slept but little in the state penitentiary at Florence after news was carried to her that the pardons board had rejected her plea. "They've turned me down... haven't they?... haven't they?" she sobbed.

Relieve of Week  
The action of the pardons board last night swept away one of the last legal barriers to her execution for the slaying in 1931 of her two nurse friends, Agnes Anne Lerol and Hedvig Samuelson, whose dismembered bodies were shipped in trunks from Phoenix to Los Angeles.

A reprieve was granted from the original date of the execution, good Friday, April 14, to April 21. Meanwhile in Los Angeles, Arthur C. Verge, one of her counsel, announced plans for an appeal to the United States Supreme court.

# LIONS-KIWANIS MINSTREL SHOW PLEASES

## Penn Power Men In Minstrel Roles

Most Attractive Program Is Given In George Washington High School

### BENEFITS WELFARE WORK OF CLUBS

No inconsiderable sum was raised for work among the blind and underprivileged children, eight hundred fifty men and women had an evening of minstrel entertainment, and the Penn Power Minstrel men demonstrated their ability back of the footlights Thursday night when the Lions and Kiwanis Clubs sponsored their appearance in the George Washington Junior High School.

Minstrels are like old fashioned flowers, they are mighty old, but they're always new. Songs, jokes, dances and an after piece, the recipe never changes but the finished product always has a good taste. The Penn Power Minstrels followed the usual line but in the following of it the audience got a lot of laughs and some real enjoyment out of the songs.

#### Three Deep

The arrangement of the circle was pleasing to the eye. The ends and ballad singers were in the first row, the chorus in the two back rows and C. M. England the intercom in the center. Back of the cast was a modernistic stage set lighted by a colored lighting scheme that shifted constantly. The effect was novel.

From the opening chorus until the end of the first part the cast stayed squarely in the middle of the accepted minstrel highway. Listed among the ballad singers were some talented lads who were called back three and four times for encores.

For the oleo the players presented a one act skit entitled "Keeping Tabs on the Business" which concerned the attempts of Dick Majorbanks a "silly awson" of a British millionaire to run his father's business while the old man was away. It was long enough to be a cohesive bit of dramatization and short enough to be entertaining. And the "silly awson" Dudley M. Arnold handled the part in a way that got him over the footlights.

#### Five Minute Specialty

Mr. Arnold then presented a five minute music hall act which might have come direct from a London music hall. The songs were English, the acting was English and that delicious brogue of his was anything but artificial. Following the specialty the cast reassembled for the finale.

The show was a success from a number of angles. The crowd was a satisfaction to the Lions and Kiwanis who had put it on and the Pennsylvania Power Company certainly must have gotten a lot of satisfaction out of being able to aid

two good causes with the talents of its employees. All the cast and the orchestra were employees of the Power Company and aside from incidental costs such as program and ticket printing, the receipts were 100 per cent velvet.

The program follows:  
Opening chorus—Entire Company  
Lonesome and Blue—Harry Jones  
I'll Be the Meanest Man in Town—Howard Warnock  
Sunset—Trevor West  
That Makes Me Give In—John Hensley  
A Little Street Where Old Friends Meet—Sam McCreary  
Oh Brother What a Feelin'—Howard Meehan  
The Girl in the Little Green Hat—Nina Vidal  
Underneath the Harlem Moon—Fred Beard

Cast  
Interlocutor—C. M. England  
End Men—Howard Warnock, Fred Beard, John Hensley, Howard Meehan  
Soloists—Harry Jones, Sam McCreary, Trevor West, Nina Vidal  
Chorus—J. Q. Rothwell, Amos Myer, A. W. Ziegler, Bernard Hook, Clay Aubel, Paul Jones, Vincent Wadlinger, Walter Gross, T. R. Kimmel, E. T. Tinsman, Wm. Robinson, Ed Tipton, Lee Stewart, Chas. Adams, Trevor Griffiths, Jerry Crangi, E. H. VanDusen, Wm. Kaatz

Intermission  
Five Minutes of Mirth and Melody—D. M. Arold  
Departing from the usual custom of the old time Minstrel the Penn Power players presented "Keeping Tabs on the Business," under the direction of D. M. Arold.

Scene—Private office of Majorbanks and Company, London.  
Dick Majorbanks—D. M. Arold  
Tabbs, Chief Clerk—P. G. Dingledy  
Willis, Clerk—E. D. McGoun  
Billy, Office Boy—Vincent Wadlinger

Flying Feet—E. J. Friedrich  
Finale—Entire Company  
Orchestra—Under direction of G. W. McElhenny: L. K. Smith, E. J. Friedrich, Thos. Flanagan, Glenn Gottschalk, Fred Youngbluth.  
Stage and setting—D. H. McGoun, Raymond Flavin, T. G. Lewis.  
Costumes by E. R. Fountain.

## TWENTY-FOUR IN SOUTH KILLED BY SEVERE TORNADO

(Continued From Page One)

Lindale, in eastern Texas. Six persons were killed at Halls Summit and six were killed at Huntington. Fifty inhabitants of Etoile, Tex., were injured when the tornado blasted away the hamlet's 15 houses. Jamestown, La., was virtually destroyed, nearly every building in the town having been torn apart by the roaring gale. Eleven homes were destroyed in San Augustine.

#### Streams Flooded

The torrents of rain which accompanied the tornado swelled streams to flood stage and made the roads impassable preventing rescue workers from penetrating many of the stricken communities.

The storm crippled communication lines, making an early checkup of the dead and injured difficult. Physicians, nurses and Red Cross officials were busy throughout the night administering to the injured in the accessible communities. Several relief expeditions set out for isolated sections of eastern Louisiana which were cut off by the destructive winds, but their progress proved slow when vehicles became mired in the rain-flooded roads.

Despite strong currents in the streams rescue workers were able to reach three communities in Louisiana in small boats.

#### Many Known Dead

TYLER, Tex., Mar. 31.—Between 25 and 30 dead and more than 100 injured was the toll today of a series of tornadoes which swept East Texas, Southern Arkansas and Northern Louisiana during the night.

Sweeping out of the northwest, a storm struck in southern Smith county, at Lindale, Texas, killing two persons and injuring a number. In quick succession winds of hurricane force swept across Angelena, northern San Augustine, and southern Shelby counties in Texas, leaving dead and injured in its path. The storms then passed into Northern Louisiana, killing six persons in the Hall Summit community and one in Mount Holly, Arkansas.

At least five persons known dead in the vicinity of Huntington, Angelena county. Three were killed in Northern San Augustine county, while the toll in Southern Shelby county was placed at five dead and more than fifty injured. Approximately thirty-five were injured at Huntington.

#### Six Known Dead

LUFKIN, Tex., Mar. 31.—Six persons today were reported dead here and in other sections of Angelena county as the result of a tornado that swept this section during the night.

Five were reported dead in the vicinity of Huntington and one child was killed near here.

This is the first picture made of Mrs. Libby Holman Reynolds, widow of the tobacco heir, and her baby son, Zachary Smith Reynolds, Jr., born January 10th. It was made as the former "torch singer" left Pennsylvania Hospital in Philadelphia with the infant for the Reynolds millions. The baby weighed less than four pounds at birth and now tips the scales at seven.

## Former Resident Killed In Crash

Mrs. Laura Long Dies In Mercy Hospital, Pittsburgh, After Accident

Mrs. Laura Long, widow of Leander Long, a former well known and highly respected resident of this city, having resided here for many years, died Thursday in Mercy hospital, Pittsburgh, as a result of a fractured skull and internal injuries sustained Sunday night, in an automobile accident at Wood street and Boulevard of the Allies, Pittsburgh.

Mrs. Long was riding with Miss Merrill O'Neill in the latter car at the time the accident occurred. The car of Miss O'Neill skidded and collided with a car driven by Andrews Iversen of 5322 Bardlett street, Pittsburgh. Iversen was arrested by the police following the accident and claimed both cars skidded on the asphalt during the rain Sunday night. He has posted bond for his appearance at the inquest.

Mrs. Long was so terribly injured that she could not rally from the effects of her injuries. The news of her death comes as a shock to her many friends here. She had a beautiful and lovable character and was esteemed highly by all those so fortunate as to know her. She had many friends here. She recently visited here, attending the meeting of a local chapter of the Order of Eastern Star as a representative of her Pittsburgh Chapter, of which she was worthy Matron.

Her husband preceded her in death some time ago. She leaves two daughters by a former marriage, Mrs. Maude Tunson and Mrs. Jean Bress.

Funeral services will be held at the Abile Funeral Home, 122 East North avenue, North Side, Pittsburgh, on Saturday at 2:30 p. m.

## Scanlon Verdict Upheld By Court

Judge James A. Chambers Hands Down Opinion In Which City Is Interested

In an opinion handed down by Judge James A. Chambers at court this morning in the case of M. J. Scanlon against the City of New Castle, motion for judgment on the whole record is refused and judgment is directed to be entered in favor of the plaintiff and against the defendant for the amount of the verdict. The verdict was for \$1,150. The case was the growing out of a contract awarded to Scanlon for a sanitary sewer in the seventh ward and an ejector station. Bids were submitted on unit prices for the different kinds of work, but when the contract with Scanlon was signed it was not in accordance with unit prices but on another form in which a lump sum, based on the engineers estimate, was specified.

At the trial of the case a question was raised as to whether or not Scanlon was entitled to certain extras. The city set up a counter claim for delay in not getting the contract finished within the specified time. The amount claimed by Scanlon was much larger than the amount awarded him by the jury.

## COURT REFUSES TO GRANT NEW TRIAL

In the case of the commonwealth against A. C. McCoy in which Attorney Charles E. Mehard was prosecutor, Judge James A. Chambers handed down an opinion this morning in which he refused a new trial. The case related to the alleged fraudulent conversion of funds of the McCoy Motor Company. There were 58 counts. Four were withdrawn before the trial of the case. The jury returned a verdict of guilty on 18 of the counts and guilty on 35.

## No Meeting Of Dairymen To Be Held Saturday

It was announced today that no meeting of the dairymen of the county will be held at the court-house tomorrow afternoon, but that it will probably be held some time next week at the call of the president, H. "Therefore under the police powers vested in me as mayor of the City of New Castle I am setting down some rules covering the sale and distribution of legalized beer in this city, to be in effect until such time as the governor of the state signs legislation which will control it."

"1—There must be no sale of 3.2 beer after midnight Saturday nights and until five o'clock on Monday mornings.

"2—There must be no sale of 3.2 beer within 300 feet of a school house or a church."

"3—Any person who has been convicted of bootlegging is not to sell the 3.2 beer.

"4—All restaurants, stores, soft drink establishments, clubs selling 3.2 beer must notify this department when they open. Otherwise they will be arrested for disorderly conduct."

"5—The 3.2 beer must not be sold to persons under 21 years of age."

## GOVERNOR PINCHOT SEEKS U. S. LOAN FOR AID IN APRIL

(Continued From Page One)

\$2,000,000 for aid during April and May.

"I have two engagements, one with the president and another with the R. F. C. in Washington to put before them our situation and ask for additional funds for April," Governor Pinchot stated.

Although the governor is interested in the cooperation that may be expected from the R. F. C. in future months, he stated his primary purpose in making today's trip was to obtain a loan to meet immediate needs.

After granting Pennsylvania \$29,000,000, directors of the R. F. C. declined to make loans after March unless the state legislature took some definite action. Since that time, the \$29,000,000 bill has been passed and signed. The house also has passed a bill authorizing the federal government to make \$22,000,000 for relief during the 1933-35 biennium.

## Deaths of the Day

**Naomi Pitzer.**  
Naomi Pitzer, aged 7, daughter of Thomas K. Pitzer, Fayetteville, Wilmington township, died at her home Thursday after a short illness. She was preceded in death four years ago by her mother.

Surviving are her father, three sisters, Mrs. Jessie McNeese, Ruth and Dorothy, and four brothers, William, Walter, Robert and John Pitzer. Funeral services will be held from the family home Monday at 2 o'clock with interment in Oak Park cemetery.

#### W. H. Young Funeral.

Funeral services for W. H. Young, New Castle, were held from the home Thursday at 2:30 p. m. with Rev. R. W. Piper of Pittsburgh officiating, assisted by Rev. J. C. Slater of College Hill and Rev. D. B. Martin of Patterson Heights and Rev. W. W. Willis of New Galilee.

The funeral was one of the largest ever held in the cemetery and attended to the high esteem in which the deceased was held. The interment was made in the Reformed Presbyterian cemetery with Harlo Shuster, Clyde Grimm, Dr. Murphy, Ad Swogger, John Mayhew and F. L. Arban acting as pallbearers.

**Mrs. Margaret Reare Bentley.**  
Mrs. Margaret Reare Bentley, aged 74, widow of Joseph Bentley, 831 Harrison street, died at 2:30 p. m. Thursday in her home after an illness of complications.

Mrs. Bentley was born in Butler county January 11, 1859, the daughter of John and Elizabeth Reare. She was a charter member of the Epworth Methodist church and belonged to the Ladies' Bible class.

She is survived by the following children: Mrs. John Van Buren, Mrs. William Minner, Mrs. E. D. Sherbine, Joseph R. Charles B. Bentley; two brothers, John Reare and S. M. Reare, and 17 grandchildren, all of this city.

Funeral services will be held Saturday, April 1, at 2:30 p. m. from the home of her daughter, Mrs. Van Buren, 831 Harrison street, with Dr. J. A. Galbraith officiating. Interment will be made in Oak Park cemetery.

#### Lieut. Cook Funeral.

Funeral services for Lieut. J. W. Cook, a former New Castle member of Co. B, Sixteenth infantry, during the Spanish-American war, who died in the Marine hospital in Cleveland, O., Sunday, March 26, were held Wednesday afternoon from the Mattheis funeral home, Cleveland, O., with his pastor, Rev. Smith of the Huff Congregational church officiating.

Mrs. Mary Seideley, a dear friend of the family, sang "Come Ye Disciples" and "Beautiful Isle of Somewhere."

Lieut. Cook was the only son of the late James L. and Mary Abbott Cook and was born in Mercer county, Pa., March 18, 1867. He is survived by his wife, Mrs. Mollie Winter Cook; three sons, Edward of Co. D, 28th infantry, Ft. Hayes, Columbus, O.; Paul and Homer, and a daughter, Mrs. Ruth Virginia Jastrow, all of Cleveland, O.; a brother, Earl A. Cook of New Castle, and five sisters, Mrs. Ella Morrow of Cleveland, O., Mrs. C. C. Sullivan of Youngstown, O., Mrs. Elmer Morrow, Mrs. T. C. Armstrong and Mrs. E. E. Blaine of New Castle.

A full military funeral was held and Spanish War Veterans acted as pallbearers. The flag which draped the deceased was presented to his widow.

Interment was made in Highland Park cemetery, Cleveland, O., and gorgeous floral tributes, which witnessed the man's popularity, were piled high on the grave.

**Mrs. Nannie Brant Book.**  
Mrs. Nannie Brant Book, widow of James Book, of Worth township, Butler county, died at her home Thursday evening at 8:30 o'clock, following an illness of four weeks due to complications.

Mrs. Book was born in Harlansburg, Lawrence county, June 13, 1867, the daughter of George and Julia Ann Harlan Brant and was 65 years of age. She had been a lifelong resident of the district in which she was born and died. She was known in a wide circle of friends and was held in the highest esteem.

Her husband preceded her in death September 30, 1923. She is survived by four sons, Clair B. Book of this city, assistant county superintendent of the Lawrence county schools, George N. Book, Randall Book and James H. Book, all at home, and three daughters, Mae, June and Ruth Book, all at home, and Garfield school, this city, and Ruth Book at home, also one sister, Miss Belle Brant of Scott township and one brother, R. R. Brant of Hagerstown, Indiana. One son, John M. Book, preceded her in death.

Funeral services will be held Sunday, April 2, at 2 p. m. at the family residence in Worth township, Butler county, Pa., with Rev. Carl Jones in charge. Interment will be made in Plain Grove cemetery. (Please Omit Flowers)

**Robert Whitley.**  
Robert Whitley, prominent plumbing contractor and business man of this city for many years, died suddenly Thursday, March 30, at 5:30 p. m. at his home. His death comes as a shock not only to his family but to the entire community.

Mr. Whitley was born in Bellevue, Pa., the son of William and Chastina Whitley on May 23, 1866 and was 66 years of age. He had been a resident of New Castle for the past forty-five years.

He was not only prominent in business circles, in which he had been a plumbing contractor for many years, but he was active in civic affairs and was always helpful in those things that tended for the advancement of the community.

Mr. Whitley had been married forty years. He was a member of the Second United Presbyterian church, a charter member of the Rotary Club and a member of the Knights of Pythias.

He leaves his widow, Mrs. Nettie Mayne Whitley, one daughter, Mrs. Joseph Higby, one son, John Whitley of Alliance, O., and two sisters, Mrs. Elizabeth Miller of Cleveland, O., Mrs. Vene Snyder of Cleveland, O., his step-father, Hervey Beall of this city, and two step-brothers, Alben Beall of Cleveland, O., and Jessie Beall of this city.

Funeral services will be held Sunday, April 2, at 2 p. m. at the family residence in Worth township, Butler county, Pa., with Rev. Carl Jones in charge. Interment will be made in Plain Grove cemetery. (Please Omit Flowers)

**THREE ARE DEAD; ELEVEN INJURED IN PLANE CRASH**

(Continued From Page One)

The witnesses said, the pilot evidently lost control in a strong wind and the plane nosedived into the earth.

The crash occurred on the second anniversary of the plane tragedy, which ended the life of Knute Rockne, famous Notre Dame university football coach, and seven others at Bazaar, Kas., sixty miles northeast of Neodesha.

Twelve members of the Winnipeg basketball team and the pilot and co-pilot were in the plane when it crashed. The team was enroute from Tulsa to Winnipeg for resumption of a five game international series with the Tulsa Oilers, National A. U. champions. They played in Tulsa last night and the night before, the Oilers winning both games.

Harry Wilson, a farmer, who witnessed the crash, said the plane seemed to develop motor trouble and circled around a muddy plowed tract for a landing.

"A strong north wind was whipping up," Wilson said, "and caught the plane on the underside, apparently causing the pilot to lose control."

It crashed nose down, spun around and righted itself as if ready for another takeoff. Its wings and fuselage were crumpled by the impact.

The plane did not catch fire. Lauder Phillips, one of the injured players, was conscious but dazed after the crash. He was unable to climb out of the plane.

"The left motor quit about 15 minutes before the crash," Phillips said, "and we circled around for a landing."

"At the last minute we knew we were going to crash and everyone braced himself in his seat waiting for it."

That was all Phillips could remember. Although his injuries were slight he was too dazed to give a more coherent account.

authority, he said the question "should be studied rather carefully by the nations concerned."

He wished it pointed out that he did not voluntarily bring the matter up, but expressed his opinion in response to questions by newspapermen. He said:

"The question now is can we go on forever on the basis of fictions. Is it good for China? Would it not be better to awake to the facts and go about things in a more intelligent way?"

## ASSEMBLE GIGANTIC PLANS FOR FORESTRY EMPLOYMENT PROJECT

(Continued From Page One)

the forest service of the Agriculture department, under R. Y. Stuart, will take command of the new army.

#### Plenty of Work

There will be plenty of work for the men to do, Stuart said. He has recommended that they be outfitted with heavy blue denim shirts, wool slacks or trousers, and heavy, comfortable shoes.

Out in the field, they will move in camps of about a hundred men each, living in tents. Stuart, who is chief of the forest service, explained that the same living conditions will obtain for the new men as for those regularly employed by the service.

An indication of the variety of tasks to which the men will be assigned was gained from a study of the routine work of the forest service, operating with a force of about

3,000 men normally, over the national forests, totalling 161,000,000 acres of land. This service cares for 13,000 miles of telephone lines, maintained as fire fighting communications facilities. There are 2,600 fire protection structures to be patrolled and kept in repair. There are 20,000 miscellaneous projects involved in public recreational use of the forests. And there are 54,000 miles of truck trails through wooded lands to keep open.

**Will Plant Trees**  
Stuart expects his new force to plant 75,000 acres of trees during the coming season. Most of these, he said, will be of the evergreen variety. This planting will involve handling of blister and insect control to assure growth.

The new workers will not be used alone on national forests. There are 600,000 acres of forest lands in the country under various administrative bodies, federal and state. Stuart plans to cooperate with states where possible in the use of the new force.

# ATTEND BANQUET AND INSTALLATION

Members of the three local O. E. S. Chapters, with District Deputy Grand Matron Mrs. Caroline Lindsey, of District 2B, were in Parker City last evening, where they attended a banquet and the installation ceremony of Parker City Chapter, O. E. S. Mrs. Lindsey served as installing officer, when Miss Regina Butler was inducted as worthy Matron of the Chapter for the ensuing year. The banquet was marked by lovely appointments, and was attended by a large number of officers and members of the Order of the Eastern Star from the surrounding district.

Among those from New Castle who were present were: Mrs. Belya Bridenbaugh, Mrs. Jean Henley, Mrs. Olive Hewitt, Mrs. R. G. Leslie, Mrs. Agnes Allen, Mrs. Marguerite Geary, Mrs. Caroline Lindsey and Misses Bessie Durant and Marjorie Rhodes.

# RAINBOW GIRLS MAKE INITIATION PLANS

New Castle Order of Rainbow for Girls will hold their first initiation on Wednesday evening, April 5 at 7:30 o'clock in the Cathedral. Not only is this the beginning of a new year work but also the beginning of a complete new regime and corps of officers.

The corps of officers now in training, Miss Ruth Jones, Worthy Advisor, will exemplify their beautiful work for Miriam Chapter, Youngstown, O., later in the month. An invitation has been extended to the three local chapters of the Order of Eastern Star, namely, Cathedral, Shenango and New Castle. The meeting is also open to members of the Masonic Lodge.

# PLANS COMPLETE FOR QUEEN ESTHER BANQUET

Three tables of 500 formed the pastime for 1932 Club members when they gathered in the home of Mrs. Charles Pugh, Sheridan avenue on Thursday afternoon. Mrs. John Earl and Mrs. Mary Hagan captured honors. Special guests present were Mrs. John Robinson, Mrs. Bruce Miller and Mrs. Louella Dempsey, the former being recipient of the hostess gift.

Mrs. Robert Clark of Butler avenue will entertain in two weeks at her home.

# O. M. K. Club

Mrs. John Miller of Mt. Jackson entertained thirteen members of the O. M. K. Club in her home Thursday evening. Tables of 500 formed the pastime and following play lunch was served.

In two weeks Mrs. John McCord of Mt. Jackson will entertain.

# Class Plans Dinner

# JUNIOR HADASSAH PAJAMA-BRIDGE PARTY

A novelty party of Thursday evening that proved unusually entertaining was the pajama-bridge held at the home of Miss Ann Shiffman at 102 West Wallace avenue for eligible members of the Junior Hadassah. Associate hostesses included the Misses Ina Rosenberg, Celia Lerner, Rose Safer and Florence Shapiro. The girls, clad in gay colored and cleverly designed pajamas, lent a festive air to the occasion. Their attention was turned to the cards and at conclusion of play lovely prizes were given to Miss Celia Lerner and Miss Rose Safer for honors.

Delicious refreshments were later served at small tables by the hostesses bringing the evening to a close.

# EVENING DINNER FOR BAPTIST MEN

One hundred and fifty Baptist men broke bread together Thursday evening in the dining room of the church, at the annual dinner of the Men's Bible class.

A most delicious chicken and biscuit dinner with all the trimmings, was served the men and they were entertained by trombone solos by Adrian Heaton, accompanied by Garth Edmundson.

The men planned a "Get a Man" Sunday for this week, when each man at the supper will bring another man to Sunday school.

Rev. C. W. Johnston, pastor of the Central Christian church, was the speaker of the evening and he gave the men a thrilling and most interesting talk on "Circus Life".

# Clawson Club Entertains

Most delightful was the meeting held last evening in the home of Mrs. Robert Slack, Cascade street, when she entertained members of the Clawson Club. Sewing, chat, music and other diversions passed away the hours and at a suitable time those assembled were ushered into the dining room where a tasty repast was served. The hostess was assisted by her sister Mrs. Reynolds and niece Elizabeth of this city who with Mrs. Roberts of Pittsburgh were special guests of the occasion.

Plans were made for a dinner to be on April 13 and on April 27 the regular meeting is to take place at the residence of Mrs. O. J. Davies, Martin street.

# Bestyette Bridge Club

Mrs. Claire McClymonds, North Cedar street, pleasingly received members of the Bestyette Bridge Club in her home Thursday evening for an informal social time. Bridge was a feature of the early hours, and a lovely prize was awarded to Miss Dorothy Boyles for winning honors.

# A delicious lunch was served,

the hostess being assisted by her mother, Mrs. R. C. Cather with the menu. Favors marked for all members and one special guest, Mrs. George Nickerson.

# READING CIRCLE '06 SOCIAL AFTERNOON

An informal social afternoon marked the meeting of Reading Circle of '06 members held Thursday at the home of Mrs. G. D. Hildebrand on Court street. A good number responded to roll call by giving a "Favorite Recipe".

A special program of entertainment was arranged for this occasion, and Miss Blodwin Lewis, the possessor of a lovely contralto voice, was heard in two numbers, "The Hand of You" by Carrie Jacobs Bond and "My Love Lingers Yet" by Norke-Scute. She was ably accompanied at the piano by Mrs. D. Duff Scott.

Other features were clever readings including "An Old Fashioned Wedding" by little Donna June Gormley, and another by Mrs. Clyde Lockhart entitled "Maggie and Jiggs" bringing the entertainment to a close.

Delightful refreshments were served by the hostess, assisted by Mrs. W. H. Martin and Mrs. P. K. Fike. On April 13 the regular meeting will take place in the home of Mrs. Sherman Kitson, Beckford street.

# CLASS DINNER PROVES DELIGHTFUL AFFAIR

The A. K. Class members of the Third United Presbyterian church participated at a tureen dinner held at the home of Mrs. Abe Kildoo on Maryland avenue Thursday evening with Miss Mary Scamansky presiding as hostess. A short devotional period was conducted and following games, contests, singing and other enjoyable pastimes were in order.

The occasion was featured with the serving of a sumptuous tureen dinner at 6 o'clock with the hostess and aides in charge.

Special guests included Misses Ruth Jenkins, Charlotte Mills and Helen Hoover.

Miss Mary Lewis of East Washington street will entertain on April 28.

# Minstrel Group Event

The Minstrel troop of New Castle Circle No. 5 Protected Home Circle, who put over the minstrel show in an able manner on Wednesday evening, held a get together party last evening at the home of Mr. and Mrs. S. N. Gulinski, 603 Highland avenue.

Five hundred was the diversion of the evening, the first prize for men going to Hoyt Eugene Ward and the first prize for ladies to Mrs. Anna Stephenson, while the booby prizes went to David Tucker and Mrs. Mary Patterson.

# LOCAL WOMEN HEAR DR. MARY WOOLLEY

Mrs. William Cosel, Misses Edith Birchard, Ethel Kelley, Elsie Calvin, Alice Sterling and Mary Vandivort, who were in Pittsburgh Thursday evening attending the dinner meeting in the Hotel Schenley, held by the Western Pennsylvania committee on the Cause and Cure of War in honor of Dr. Mary Emma Woolley, president of Mt. Holyoke College and delegate of the United States to the world's disarmament conference at Geneva.

Miss Vandivort, who is a teacher in the New Castle schools, is a graduate of Mt. Holyoke College and the meeting was doubly interesting to her.

Dr. Woolley spent six months in Geneva last year and she interested her audience with a recount of the proceedings and said final disarmament would come through "mind" disarmament, when all persons thought disarmament.

Another thrilling feature of the meeting was the talk by James William Green, who repeated the speech he made at the opening of the Geneva conference.

# Visit With Daughter.

Rev. and Mrs. C. H. Heaton of Highland avenue and their son Adrian will go to Wooster, O., for Saturday, where they will visit with their daughter Beulah, who is a student in Wheaton college.

While there they will attend a concert given by the Wheaton college Glee club, of which their daughter is a member. Miss Heaton will accompany her parents home for the week-end and will appear with the Glee club Monday evening when they give a concert in the First Baptist church.

# Alcanza Kensington

Mrs. Sara Richards of Leasure avenue, entertained the Alcanza Kensington members Thursday evening in her home. The hours were spent informally and in serving lunch the hostess was assisted by her daughter, Mrs. Walker Balentine.

Mrs. B. F. Shoenfield of East Washington street, will entertain on April 27 at her residence.

# G. W. C. Club Guests.

Mrs. Robert Russell of Chestnut street, had as guests in her home on Thursday afternoon, members of the G. W. C. club. Sewing and chat were the pastimes, and at a suitable time the hostess served lunch assisted by Mrs. James Patterson.

The next meeting in a tureen dinner will be in the form of a two week dinner with Mrs. Arthur Scott on Whippoor street, as hostess. Activities will be in charge at 12:30 o'clock.

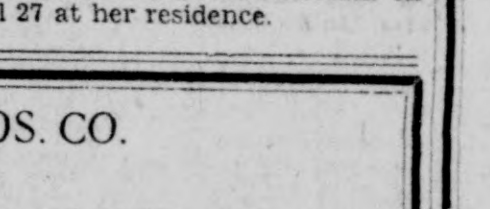

# S. D. Club Meeting.

The regular meeting of S. D. club members was held Thursday evening with Mrs. Frank Carmen of Highland avenue as hostess. Games were played and vocal selections by several in attendance completed the program. A tasty lunch was served in the dining room at a late hour.

In three weeks Mrs. Lucy Covert of East Washington street will entertain at a quilting party.

Rev. and Mrs. C. H. Heaton of Highland avenue and their son Adrian will go to Wooster, O., for Saturday, where they will visit with their daughter Beulah, who is a student in Wheaton college.

While there they will attend a concert given by the Wheaton college Glee club, of which their daughter is a member. Miss Heaton will accompany her parents home for the week-end and will appear with the Glee club Monday evening when they give a concert in the First Baptist church.

# Alcanza Kensington

Mrs. Sara Richards of Leasure avenue, entertained the Alcanza Kensington members Thursday evening in her home. The hours were spent informally and in serving lunch the hostess was assisted by her daughter, Mrs. Walker Balentine.

Mrs. B. F. Shoenfield of East Washington street, will entertain on April 27 at her residence.

# G. W. C. Club Guests.

Mrs. Robert Russell of Chestnut street, had as guests in her home on Thursday afternoon, members of the G. W. C. club. Sewing and chat were the pastimes, and at a suitable time the hostess served lunch assisted by Mrs. James Patterson.

The next meeting in a tureen dinner will be in the form of a two week dinner with Mrs. Arthur Scott on Whippoor street, as hostess. Activities will be in charge at 12:30 o'clock.

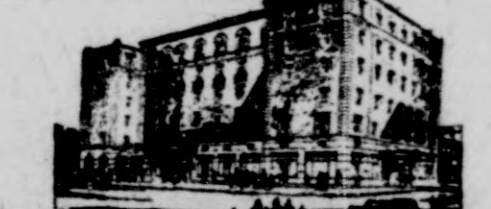

# S. D. Club Meeting.

The regular meeting of S. D. club members was held Thursday evening with Mrs. Frank Carmen of Highland avenue as hostess. Games were played and vocal selections by several in attendance completed the program. A tasty lunch was served in the dining room at a late hour.

In three weeks Mrs. Lucy Covert of East Washington street will entertain at a quilting party.

## NO NEED OF ANXIETY

WE believe the public shares the confidence in President Roosevelt expressed by National Commander Johnson of the American Legion, with respect to reductions in veterans' benefits.

"I have the utmost confidence in President Roosevelt's fairmindedness," said Mr. Johnson. "I don't believe for a moment that his efforts toward economy will cause him to cripple the work that is being done to help casualties—those for whom the war will never end."

The movement aimed at reducing the huge burden placed upon the public in financing payments to veterans never had as one of its purposes denying of just compensation to former soldiers who were crippled or otherwise injured as a direct result of their services in the war. The nation, without any important exception, recognizes the justness of a policy which will see that these men receive proper care and attention. They deserve it and the public wants them to have it.

But huge sums now are going to men who never were wounded or otherwise injured as result of their war service. The justness of this can not be recognized. It is against payments to congress, lacking courage itself to take the action, to delegate to Mr. Roosevelt the task of ridding the present pension system of some of its evils.

There can be no question of the president's sympathy for the men really deserving of governmental aid. We believe the legion and the other friends of these victims of war need have no anxiety along this line.

## WORTHY CAUSES SUFFER

One of the distressing features of the depression that has received but slight attention was brought out at the biennial conference of the committee on financial and fiduciary matters of the Federal Council of Churches.

Because of the great shrinkage in estates, many institutions, including churches, are liable to feel the effects of the depression long after the latter is ended. One speaker, Leroy A. Mershon, a former official of the American Bankers' association, estimated that 75 per cent of public bequests written into wills in the last 25 years either have been taken out of the wills or never will be paid because of the decline in security values and other effects of the depression.

"Literally, hundreds of thousands of persons," he said, "who, in the days before 1929, were glad to incorporate bequests for institutions, have refused to do so in the last three years. Hundreds of thousands of others have made changes in their wills, taking out all bequests to institutions, because losses sustained in security and property values left just enough to take care of their families. This represents at least 75 per cent of the people of this country."

The institutions that will suffer include hospitals, colleges and social and welfare organizations of various kinds.

The possibility that some of these losses may be made up by annual donations from persons able to make them when prosperity returns offers some hope. Full compensation, however, is unlikely, and the activities of the institutions affected necessarily will be restricted. In some cases, at least, serious injury to most worthy causes will result.

## A NATIONAL BLUE SKY LAW

President Roosevelt's sixth message to congress advocates a national blue sky law as his next proposal to help bring about economic recovery. Legislation promptly introduced along this line provides for the registration with the Federal Trade Commission of all securities offered in interstate commerce. Later the intention is to embrace other properties in which exchanges deal. Complete information about stocks and bonds offered in interstate commerce must be submitted for approval. The regulations cover their sale, their advertisement and their transportation. Full publicity is the essence of the program.

Few will dispute the wisdom of the motive in this plan. To some extent the stock exchanges have tried to enforce a kindred supervision. State laws have also endeavored to protect the investing public by similar methods. Both fell far short of the objectives in any national sense. It must be remembered, too, that many of the worst "wild cat" types of securities are not listed on the "big boards," and consequently the orthodox exchanges have no control over them.

Prior to the World War it was perhaps hardly necessary for congress to take action of this kind. The public at large had not gone into the investment market. Not until the Liberty Loan drives developed their campaign of education did the average citizen become familiar with stock operations. In fact, not until the boom period after the war did the average citizen have a surplus above living expenses which would awaken his interest in credit finance. But with the arrival of new standards of living, to which he had not previously been accustomed, he soon became an easy victim of excesses, a prey to the wily salesman. He had not learned the doctrine of let the purchaser beware. Under the new dispensation the seller must also beware. But that does not justify the customer in throwing prudence to the winds.

## A FRENCH EXPLANATION

A member of the French Radical Socialist party who has a seat in the Chamber of Deputies has put forward an explanation of France's default of December 15 on the debt it owes to the United States which the Times presents to its readers in translation from Le Journal. The Frenchman says: "The French Chamber vote (for repudiation) was directed particularly against the policy of the then president (of the United States)."

If this is accepted as an authentic declaration by an authority competent to speak for the Chamber of Deputies, it is plain that any agreement between the United States and the Republic of France entered into by negotiators for that republic and ratified by its Parliament is liable to be repudiated at any time when a majority of the Chamber does not accept as satisfactory the policy of the other party to the contract. In other words, any contract with the Republic of France ceases to be binding when to renounce it suits the whims, the immediate interest or the malice of a parliamentary majority, perhaps of a merely temporary majority.

Is this national policy subscribed to by the sober, intelligent and honorable citizens of the Republic of France?—The New York Sun.

## All Of Us

BY MARSHALL MASLIN

## WAS HE A MISER?

This man was a miser. He didn't earn much, even though he was one of the best composers in town, back in the days when all type was set by hand. But he saved nearly everything he earned. You couldn't borrow a dime from him, he would not give a nickel away. He was "tight" and unfriendly. He lived in a cheap room a long distance from the office. He walked to work. He bought 10 cent meals and did without coffee. He saved his money, had no friends.

And then what would he do? Well, he'd draw it all out, every cent and go on a drunk. A roaring, wild, genial, extravagant and generous drunk. It would last for days, that drunk in which he threw his money away, treated strangers, bought new clothes, and landed at last in the city prison. Then he'd come back to his case, with his hands trembling and his stomach upset and all his money gone, and return to his mean and miserly existence again.

And I wonder about him. I wonder if he really saved his money in order to spend it on drinking. Was he a miser at heart or did he secretly wish to be like the other men he knew, able to earn easily, spend freely, drink a little and then quit, and live normally? What was twisted in that strange fellow? Was he himself when he saved in so mean a fashion? Or was he himself when he threw his money to the winds? And did he, too, wonder about himself as I, who never knew him, am wondering now?

I cannot make up my mind about him, any more than I can about men I have known who are genial when they are sober and cantankerous when liquor is in them; or solemn grouchers when they haven't had a drink and friendly fellows when they've had a few.

I wish I knew the answer, but I suppose I never shall, because human nature is such a jumble and so few of us understand ourselves that I can't see how any of us can ever attain a complete understanding of the other fellow. We live all our lives among human beings, but none of us knows all about them—and that ignorance helps to make life so continuously interesting.

## READING ALOUD

Have you the disagreeable habit in your home of insisting upon reading aloud to others what interests you, even though they are reading something to themselves?

The one who reads thinking does not want to be disturbed. The one who reads aloud usually is trying to support some previous statement he or she has made and takes the opportunity to declare it again.

Some make the claim that they are better able to understand the printed word and it makes a stronger impression upon them when they read it aloud.

Such a person has little consideration for others, but is trying to impress his or her own mind with what is read.

A very selfish way to get results, and usually it drives other readers from the room.

This may be an explanation of why so many young folks prefer to read or study in their own rooms, rather than remain with the family circle.

There should be a time for the family visits and after some time spent in reading most of the members of a family are willing to engage in conversation.

But nearly every person wants some undisturbed time to himself.

And by everlasting trying that man's troubles soonest end.

Sailors tossed by storms at sea, know that every man must be

And the passengers who wait at the howling of the gale

Are compelled to keep their state-rooms till the sea is safely crossed.

So to me this life appears, when come dark and dangerous years.

Not by whiners and by grumblers or the fearful and afraid,

But by faithful men and true with the grit to dare and do

And the willingness to battle are the better fortunes made.

## Hints and Dints

Sun sets tonight 6:22. Sun rises tomorrow 5:44.

The five cent street car fare has come back in some cities. Lots of other things that used to cost five cents are not back yet.

The old-fashioned way of offering a reward for a crook dead or alive was very effective.

WHAT THEY THINK

"The old folks think the young ones should be in bed."

"The young folks think the old folks should be dead."

That's a poem that was uttered by a youngster about town. It fits the social register because it is an explosion that often occurs when young folks and old folks meet at the same night clubs.

Eastern Republican congressmen talked of throwing out of the party the western senators who bolted. For their party candidate for president, Western congressmen, including the regulars, will permit no such thing to be done. The only Republican parts of the United States which did not bolt the party candidate for president last year were Vermont, New Hampshire, Maine, Connecticut, Pennsylvania and Delaware. Throw out the irregulars and there isn't enough party left to breathe.

Wordy DEBATE

Ah, here is a question to ponder and debate and fight about. How many words are in the English language? Be careful of your answer. Don't speak hastily. For the authorities disagree by hundreds of thousands.

The latest argument on the profound issue was started by Prof. Robert L. Ramsey of the University of Missouri, and you must show those Missouri professors. He declares there are only 250,000 real words in our language, and this number is three times that in any other tongue, so there is reason to pity the poor little American kiddies trying to learn their own speech.

This total challenges the recent estimates of Dr. Frank H. Vizetelly, editor of the Standard Dictionary, and Harold Wentworth, former associate editor of Webster's New International Dictionary. They are big word men. Dr. Vizetelly asserts that 1,000,000 is a conservative guess and understates conditions.

The New Oxford Dictionary has approximately 430,000 words. In addition there are 530,000 in scientific language, the slang and idioms of the people today, and of Shakespeare, Dryden and Chaucer. Mr. Wentworth does even better by saying the English vocabulary is in the millions, two or three at least.

However, Dr. Ramsey sticks to his verbal guns and proclaims that 250,000 words include all the legitimate ones, and beyond that they are combinations. In fact, he charges that 50,000 of his 250,000 are obsolete, and we are quite ready to believe him. We have no use for them.

No matter who wins the argument, there are too many words. No doubt as to that. Too many in the dictionary and too many to look up. Too many words in political and other oratory, too many in books and padded stories. Words—words—words. Something ought to be done about them. Appoint an official commission to simplify the language and reduce it to the vocabulary of the average person, say two or three hundred. But there would be danger in the commission. It would report in thousands of pages covered with words. When we finish cutting down the surplus of wheat and eggs and spinach, we must turn to the excess of perflage and put the extra words on ice.

## Spring House Cleaning Time Brings Fame To Miss Perkins

New Head Of Department Of Labor Stirs Admiration Of Country By Her Approach To Immigration Activities And Other Official Traditions

The nation feels it especially appropriate that Secretary Frances Perkins of the Department of Labor should engage, figuratively, in spring housecleaning, after a survey of her duties as a woman Cabinet member. Drastic treatment of immigration spies and other expensive approval, and her appearance before members of Congress to explain unemployment relief is declared to have revealed practical ability in public service.

"Woman that, she is," remarks the MORGANTOWN DOMINION-NEWS, "she has celebrated the beginning of spring as all women celebrate it. She got out her brooms and is enjoying a thorough housecleaning." That paper says as to the details of her task: "First to feel the swish of the broom were 55 immigration inspectors who were swept out entirely, and 16 others who were stored away for possible future use. Her new establishment, Miss Perkins has made known, is not to her liking, and she intends to take it apart and remake it. Once it is put together again, the Department of Labor will have undergone a complete shake-up in the employment service, a scientific survey of the statistical complications so that 'the man on the street can understand, and further revisions of the immigration service. Secretary Perkins will toss overboard all the ballyhoo' which has accompanied the department's campaign against alien labor racketeering. Along with it will go the secret service, the fact that the Roosevelt administration's deft handling of certain gentlemen of Congress during the hearing on the Roosevelt relief plan has tickled the public fancy and that 'she came out with flags flying.'"

The chief prize which went to a Paris dealer at 11,800 pounds was a 300-year-old brilliant, weighing 41 carats. ## Expect Battle On New State Code

Measure To Come Before State Legislature On Monday Night

### COMMISSIONS ARE ATTACK TARGETS

(Special To The News.)  
HARRISBURG, Pa., Mar. 31.—More legislative fireworks are expected Monday night, April 3, when house bill 22, the new administrative code, comes up for final passage in the house of representatives. Sponsored by Representative Ellwood J. Turner of Delaware county, the bill is presumed to have the endorsement of the regular Republican organization and has for its purpose the curtailment of the number of commissions now existent. Among these are the aeronautics commission, state bridge commission, anatomical board, state art commission, state parks commission and the welfare commission.

The one big cause of argument will be the welfare commission abolition. Friends of the commission have pointed out sections of the bill which they claim would materially affect the department and would save an infinitesimal amount of money compared to the results given the state.

The sections concerning the removal of the welfare commission provide for the removal of the power of audit and control of the department of welfare over state aided hospitals. Provides that funds for the care of the indigent shall be expended by the department of welfare among institutions as required by law regardless of rules and regulations formerly imposed by the department. Other changes are provided which effect the department of welfare and the probability are that the bill will be subjected to some severe crossfire and a wealth of oratory before final action is had.

## Auto Crash Toll Again Increases

Number Of Accidents More Than In Same Period Last Year

HARRISBURG, Mar. 31.—Motor vehicle accidents last month killed more persons, injured more and were more numerous than in the same month last year. This unenviable record was made with fewer vehicles

on the highways than a year ago, the Governor's Committee on Street and Highway Safety pointed out. Law breaking drivers are blamed for the increase.

"One-half of the drivers involved in the February accidents were violating the law at the time the accident happened," the Governor's Committee reports. "That means that 50 per cent of the accidents should not have occurred. It is a strong answer to those who plead more leniency in our motor vehicle laws. The remedy lies in rigid enforcement of the motor vehicle laws."

His plea that he wanted to see the streets of New York again before he died won the leniency of the judge.

Nazi Drive To Boycott Jews Gathers Force In Germany Today

### SIGNS REQUIRED BY JEWISH STORES

(International News Service)  
BERLIN, Mar. 31.—The Nazi drive to boycott Jews gathered force today as officials of the party announced anti-Jewish mass meetings would be held throughout the nation tonight.

Climaxing preparations for the boycott, scheduled to start "like lightning" tomorrow, trucks roared through the streets of German cities bearing placard appeals to all Germans to observe the boycott against Jews.

"Boycott Jewish stores," the signs said. "Do not buy from chain stores. Consult no Jewish doctors or lawyers."

Uniformed Nazi storm troopers patrolled the streets of Berlin, pasting black handbills with yellow spots on Jewish offices and stores.

Must Display Signs.  
The Woolworth chain stores in Germany were made specifically ex-

empt from the boycott on grounds "they are American."

At Altoona, Chief of Police Hinkler decreed that Jewish shops must display yellow signs 15 to 20 inches square with black letters proclaiming "Jewish Enterprise."

From Stuttgart came reports that United States Consul General L. Dominian inspected the concentration camp at Hamburg, where 2,000 Communists and Socialists are held, finding that reports of cruelty to prisoners there were untrue.

All the inmates of the camp were in good physical condition, Dominian said.

Nazi boycott committees in Berlin announced pictures of all persons patronizing Jewish shops after the boycott officially begins will be snapped and displayed in theatres and newspapers.

Long Beach Again Feels Shock Of Earth; No Damage Reported

(International News Service)  
LONG BEACH, Cal., Mar. 31.—Another of the recurring shocks felt here since the earthquake of March 10 was recorded here at 2:59 a. m. today.

Although the quake was general, no damage was immediately reported, according to utility officials. The quake lasted about five seconds and was not as severe as the after shock recorded at 4:36 a. m. yesterday when some lights swayed in business buildings.

## Cancer Is Not One But Many Diseases

(International News Service)  
PHILADELPHIA, Mar. 31.—Cancer is not one but many diseases and could be better attacked by centralization control of cancer cases in hospital and medical services, according to Dr. James Ewing, direc-

tor of the cancer research department of the Memorial Hospital, New York.

"The erroneous theory that a universal cause for cancer exists and that a universal cure is possible is one of the greatest obstacles to progress of knowledge," said Dr. Ewing in an address here. He added that the term "cancer" really includes a "great group of diseases, all marked by unrestricted growth of the cell, often malignant."

### BUILDING SHOWS DECIDED INCREASE

(International News Service)  
MERION, Pa., Mar. 31.—Building in Lower Merion township increased more than 400 per cent during February as compared with the corresponding period of last year. Officials said the cost of the new structures was \$79,000 for February this year, which compares with \$18,000 in February, 1932.

## States May Battle For Inheritance Tax On Frick Estate

(International News Service)  
PITTSBURGH, Mar. 31.—A legal battle between New York and Pennsylvania over collection of inheritance tax on the estate of the late Adelaide Frick, widow of the late coke baron, H. C. Frick, loomed as a distinct possibility today.

Joseph M. Mackrel, register of wills, filed a petition in Orphans' Court asking that executors of the estate be cited to show cause why the tax, which would approximate \$1,250,000, should not be paid. New York has put in its claim for the tax on the ground that Mrs. Frick maintained her home there.

Both she and her husband are buried in Homewood cemetery, Pittsburgh.

The Frick executors have filed a stipulation consenting to pay the tax after the New York proceedings are adjudicated. In her will, Mrs. Frick referred to herself as a resident of Pennsylvania.

### HOTEL MEN ASK FOR SPEED ON "REPEAL"

(International News Service)  
WILMINGTON, Del., Mar. 31.—Speedy authorization by the Delaware legislature of a state convention of delegates to act on ratification of prohibition repeal is demanded by the Delaware State Hotel Association.

Meeting in Dover, under the presidency of Charles W. Gibbs, manager of the DuPont-Biltmore Hotel, of Wilmington, the association expressed the hope that the delegates elected to the convention would be truly representative of every section of the state.

**Private Banking Inquiry Planned**

Broad Probe Into Entire Structure Of Private Banking Started

SENATE COMMITTEE COUNSEL ANGERED

(International News Service)  
WASHINGTON, Mar. 31.—Broad inquiry into the entire structure of private banking loomed today as the result of the controversy between Ferdinand Pecora, special investigator for the senate banking and currency committee, and the banking house of J. P. Morgan and company.  
Rebuffed in the efforts of Pecora to obtain information from the great international banking house, the committee is awaiting action by the senate, empowering it to extend its stock market inquiry into that of private financiers.  
Action of the committee followed a report by Pecora, who said the New York banking house had declined to answer seven of a list of 23 questions, and had summarily declined to discuss one question. This question, he said, referred to the capital structure of the institution. He did not disclose the other seven questions.

**Story Hour For All Girl Scouts Monday Afternoon**

Girls Will Hear Stories From Julia Williamson At Public Library

Miss Julia Williamson, regional Brownie instructor, who is coming to this city next week, will on Monday afternoon from 4:15 to 5:15 o'clock, conduct a story hour at the city library for all Girl Scouts of New Castle.  
Miss Williamson is the author of several children's books and is a master at the art of story telling. The story hour promises to be most interesting.  
Entrance to the story hour room of the local free public library is obtained by passing through the gate on the North street side of the building, and by going around to the basement.  
All Girl Scouts are eligible to attend and it is believed that a large number will take advantage of the entertainment.  
Miss Williamson will remain the rest of the week here to train future Brownie leaders.

**THREE TO DIE IN OHIO ELECTRIC CHAIR**

COLUMBUS, O., Mar. 31.—For the first time in almost two years, a triple electrocution will be held in Ohio State Penitentiary here May 10.

The condemned men, all convicted of the same charge—the murder of a guard at Mansfield reformatory—are: Merrell Chandler, 22-year-old negro, James Allen, 21, of Hamilton, O., and Chester Probski, 25, of Cleveland.  
They were convicted of the slaying of Frank Hanger, a Mansfield reformatory guard, during an attempted jail break. According to officials, the trio was the "brains" of the delivery plot.

**"MUMMIFIED" CALF FOUND IN OREGON**  
(International News Service)  
PORTLAND, Ore., Mar. 31.—A "mummified" calf, one of the rare freaks of nature, estimated by county veterinarian Kenny to be three years old, was found in a normal appearing cow which was slaughtered for meat purposes on the farm of William Brash near Toledo, Ore.

The find was reported to be one of the oddest cases on record and has created wide interest among dairymen.

A piece of apple or a thick slice of bread in the cake box will prevent cake from becoming stale.

## Rich Youth Is Cave Man, Gets Himself In Jam

Two New York Models Prefer Charges Against Wealthy Youth

### MODEL YOUTH IS QUICKLY CHANGED

(International News Service)  
NEW ROCHELLE, N. Y., Mar. 31.—George V. Cooper, 24, wealthy and socially prominent New Rochelle youth, today was called upon to explain in court his pre-historic methods of courtship.

Mrs. Louise Grotthoff, 22, and Miss Mary Louise Harper, 23, comely artists models, charged that Cooper, using the name of a New Rochelle artist, applied to the New York Models' Guild for two models, and they were assigned to the call.

Instead of being called upon to pose for an artist, they were enticed to the Cooper home, bound and gagged and held captive in an attic for two hours.

"I never had a date with a girl in my life," Cooper was quoted by authorities. "I guess I'm too modest, or something."

"I don't smoke, drink or swear, but I do like feminine company."

But, according to the girls, he was real he-man in his approach.

Fees Are Paid

They said he met them at the station with a car and drove them to the Cooper home, on the outskirts of town. There, after separating them, he bound and gagged first one and then the other. He carried them to an attic room and dumped them down on the floor—and then read a magazine for two hours without speaking to them!

At the end of that time he carried them back down to the car, loosed their bonds, took them to the station and paid each her regular model's fee.

He was arrested when he appeared at the Models' Guild to pay the guild fee.

Methodist—Sunday school at 10 a. m., John R. Marett, supt. Morning worship at 11 o'clock, Rev. E. D. Thompson, pastor. Epworth League at 7 p. m. Union revival services Sunday evening in the Presbyterian church.

### CHANGE IN SERVICES

Beginning Sunday, April 2, the time of Sunday school in the Methodist church will be changed to 10 o'clock instead of 10:15 as in the past five months. The time of church service will also be changed back to 11 o'clock. These changes are made automatically on April 1 and November 1 so the time of services may be made more convenient to the White Chapel members.

### REVIVAL MEETINGS

Much interest is being shown in the union revival services being held in the Methodist church the past two weeks. Special music has been

a feature almost every evening. Prof. A. S. Eakin's male chorus from Harlansburg sang on Friday evening. Ralph Cunningham's male quartet from Leesburg sang on Monday evening. Prof. Alan B. Davis of Westminster college sang on Tuesday evening. Rev. Downing of Mahoningtown M. E. church was the visiting pastor on Friday evening. Rev. C. G. Parr of New Castle on Tuesday and Wednesday evenings. Rev. Bloomquist of Savannah M. E. on Thursday and Rev. Cass of Grove City Friday evening.

The meetings will be continued next week in the Presbyterian church, beginning Sunday evening. There will not be any service on Monday evening.

## "Wampum" Night At Epworth Church

Dr. J. A. Galbraith Is Honored By Old Friends Attending The Thursday Meeting

What was scheduled as "Wampum" night in the Epworth Methodist church Thursday evening proved a big success and honor to the pastor, Dr. J. A. Galbraith, whose boyhood home was in the neighborhood of Wampum and Newport. About 150 friends from Wampum and Newport attended the session in a body, thus paying a beautiful tribute to the friendship held through these years.

Dr. J. A. Galbraith's sermon on Thursday evening took a personal trend and he told of his conversion at Wampum many years ago, and an added interest was given the story by the presence of John Syc of Youngstown, O., who had taken Dr. Galbraith to the altar for his conversion and union with the church. Mr. Syc spoke a few words and told how the life of Dr. Galbraith has been an inspiration to him.

The evening's service took on the form of a regular "homecoming" and at the close the Wampum and Newport people were taken on a tour of the new church building.

The special music for the evening was furnished by Art O. Thomas and his Blue and Gold Harmony quartet, assisted by Mrs. Thomas. A trio composed of Rev. and Mrs. J. L. Pettie and Dr. Galbraith also sang a pleasing number.

An inspiring altar service closed the service, when several came forward.

This evening Dr. Galbraith will have "The Matchless Visitor" as his sermon subject and Sunday school night will be observed. The male quartet and the chorus choir will furnish the music.

## Says Will Making May Prolong Life

(International News Service)  
BOSTON, Mar. 31.—Save your itemized bills, make a will and learn something about law.

Judge Emma Fall Schiefel urged this on women members of the Quaker Club.

"Some men object to making a will because they say it is like signing a death warrant," said Judge Schiefel. "As a matter of fact wills seem actually to prolong life, because when a will is made a great load of care and worry is lifted and life is longer and more peaceful."

## Posse And Gunmen In Running Battle Across State Line

LISBON, O., Mar. 31.—After a

grueling cross-country gun battle late Thursday between five Alliance gunmen and Carroll and Columbiana county officers, in which a Columbiana deputy sheriff was shot in the forehead and possibly fatally wounded, the five fugitives were captured in a ravine at Kensington, southwest of here near the Carroll county border.

The deputies were aided in the capture of nearly 300 heavily-armed farmers who had been summoned to join in the hunt.

The battle between the gunmen and the officers was one of the most spectacular ever fought in this section. The wounded deputy, George Hayes, 43, of Lisbon, was taken to Salem City hospital, where the bullet was extracted.

### Wanted For Holdup

The five fugitives, wanted for a gasoline station holdup at Carrollton, Carroll county seat, were being pursued by Sheriff John McPadden, 43, of Lisbon, when the firing began. Then the chase over the fifteen-mile stretch grew hotter.

The fugitives' powerful automobile, bearing licenses declared to have been stolen March 8 from the car of an East Liverpool bank teller, was forced to slow down for a hay wagon on the Kinsington-Salineville road. The pursuing officers caught up close enough to open

fire. The fugitives answered with lead.

Deputy Hayes was wounded by a bullet which ricocheted from the running board of the sheriff's automobile.

As Sheriff Frank Ballentine of Columbiana county and his men caught up with the other posse's car, the fugitives abandoned their automobile and engaged in a running battle with the sheriff's men.

### Punctured Gasoline Tank

Deputy Hayes was struck just as a bullet from his rifle ripped open the gasoline tank of the gunmen's car.

One of the quintet was captured in a barn on the Jesse Stackhouse farm and the other four were cornered on the Samuel Knecht farm near Kensington.

The five men, taken to Carrollton to the Carroll county jail, were booked on open charges. They gave their names as Alfred Johnson, 28; John Cutting, 34; James Dawson, 33; Emmett Coff, 31, and Lewis Nagi, 31. All said their homes were in Alliance, near-by in Stark county.

A witness of the Carrollton hold-up is declared by the sheriff's office to have identified them as the five who drove up to the Carrollton filling station, obtained gasoline and then drew guns, ordering the attendant to "back up."

### Girls Sports, Despite Depression, Make New Gains At Senior High

Host Roams Gymnasium Daily In Spirited Inter-Class Games

#### 'NEWCOMB' ADDED TO PLAYING SCHEDULES

Many people know little of girls athletics at the senior high school since we no longer have varsity basketball. However, there are six class teams and three groups of games which are being played each year. They are "newcomb" which is played in the fall of the year; basketball which is played during the winter; and volleyball played in the spring of the year.

Any girl in high school is entitled to come out for any class team, and extra credit is given on her semester gymnasium grade, if she reports for practice or on a team.

#### "Newcomb" Is Played

A "newcomb" team is composed of nine players, three rows with three players in each row. Two teams are thus placed on the floor, with a net between them, the top of which is seven feet from the floor. The ball is served over the net, and the play consists of throwing the ball back and forth, until someone fails to catch or return the ball. Points are won only by the serving team. If the serving team fails to return a ball in play, the penalty is loss of service. Twenty-one points is the score for the game.

The championship team this fall was the Junior B team. They received emblems, which were black circular felt with the red letter "N" in the center. An old-star team was then chosen by the supervisor. This team played the winning team.

Basketball was next on the program. All are more or less familiar with this sport. The floor is divided into three courts, the center and two (2) end sections being the divisions. Each team has six (6) players, a center, a side-center, (2) two forwards and two (2) guards. For each field goal two points are given, one point for each foul. There are two kinds of fouls, personal and technical. Personal fouls for being in contact with the person and technicals for interfering unlawfully with the ball. A player can be put out on three personals, five technicals, or a total of five fouls.

The teams in basketball play all the other teams twice in the season. The winners are given black circular emblems with red "BB's" on them. At the end of the basketball season, two all-star teams are chosen and play each other.

At the finish of this season, the following were chosen:

A—Winning team—Senior B.  
B—Best sport—Lillian Katila.  
C—Best individual player.  
Forward—Dorothy Fugh.  
Center—Mary Ruhn.  
Side-center—Bernice Wenda.  
Guard—Keder and Katila.  
E—Steadiest player—Anna Hill.  
F—Girl showing most improvement—Betty McNahy.  
G—Noisiest player—Mary Dudzinsky.  
H—Quietest player—Elizabeth Lewis.

I—Funniest player—Helen Diller.  
Last we have volleyball which will begin the middle of April. It is very similar to newcomb except instead of throwing the ball back, it cannot be caught, but must be batted. The points are won the same way as newcomb, the players and net also. Each team will play all the other ones. The winners will receive "V's" on black circular felt emblems, the "V's" being in red. An all-star team shall be chosen to play the winner.

Coaches of all teams are chosen from the squad-leaders by Miss Sarah McGown. There are two coaches for basketball and once each for newcomb and volleyball.

Girls' athletics are still in vogue and under the careful supervision of Miss McGown.

#### Student Council In Hopes Of Generating Interest In Projects

In its regular meeting on Wednesday, the Student Council heard reports from several of its committees. Bob Allen gave a few suggestions for raising money, but no definite action was taken. Jane Bechtel, chairman of the "Big Sister" movement, is securing literature from a neighboring high school which has an order of this movement. She expects to accomplish a great deal this semester. Ralph Davies gave a report concerning the "Locker clean-up" last week. Joe Howley is forming a plan in which a class of "cheer leaders" are involved.

**Will Plant Shrubbery**  
The Student Council is planning a dedication exercise for the planting of shrubbery on the lawn, in the future. John Komarc, president, appointed; Marion Wilkison, chairman; Wallace Byers, Jane Bechtel, and Ralph Davies to plan this program. This committee is working hard on its duties.

We have in our midst two sophomores now, Richard Gregor and Ruth Connors. They seem to be very capable of the task appointed them. John Komarc closed the meeting after a long period of discussion.

#### SENIOR A GIRLS CHOOSE HATS FOR JUNE 'CLASS DAY'

On Wednesday the senior A girls gathered in the cafeteria, third period, to discuss the important question of class day hats.

Evelyn Brandt and Frank Babiarz, both class officers, were in charge of the meeting. Four different hats were shown, including berets and sailor hats. The four hats were modeled by four of the girls of the senior class, in order to allow the girls to inspect the hats. When it came time to vote it was discovered that the majority was in favor of a white felt beret with the numerals '33 in green.

It is expected that this hat will be entirely satisfactory to each girl graduate.

#### SCHOOL TO ENTER GROUP IN CONTEST

Senior High Musicians Set For New Wilmington Events Tomorrow

The first division of the annual Pennsylvania Music and Forensic League contest will be held on Saturday at New Wilmington to determine the county champions. Only the small ensembles and soloists of the vocal and instrumental departments of senior high school are to take part.

The vocal division is entering a double quartette composed of Marion Wilkison and Mary Virginia Roberts, sopranos; Ruth Wilkison and Cecelia Hashulak, altos; Sam Dennis and Morgan Jones, tenors; William Fletcher and Henry Wilkison, baritones. There will also be a mixed quartette composed of Marion Wilkison, Cecelia Hashulak, Sam Dennis, and Bill Fletcher; a boys' quartette including Sam Dennis, Morgan Jones, Bill Fletcher, and Henry Wilkison, and a girls' trio composed of Mary Virginia Roberts, Ruth Wilkison, and Cecelia Hashulak. The soloists will be Marion Wilkison, soprano; Bill Fletcher, baritone; and Morgan Jones, tenor.

The instrumental department is giving competition in the following solos: Dorothy Fisher, violin; Salvatore Cresce, accompanied by Jean Haug; Lute, William Shira, accompanied by Elizabeth Eakin; clarinet, Roger Pecano, accompanied by Dorothy Fisher; horn, Alan Chamberlain, accompanied by Elizabeth Eakin; trumpet, Joe Eberhart, accompanied by Morgan Jones; trombone, Henry Wilkison, accompanied by Ruth Wilkison.

In the ensemble groups the string quartet composed of Salvatore Cresce, Anthony Cabero, Marjory Young, and Elizabeth Miller; the wood wind quartet, William Shira, Merle Fisher, Alan Chamberlain, Robert Brown, and William Schoenfeld; the brass quintet, composed of Edward Candio, Alfred Sadler, Henry Wellhausen, Henry Wilkison, and James Kirkpatrick are taking part.

The contest for stringed instrument will be held in the Westminster chapel at 9:00 a. m., for piano and vocal solos at the United Presbyterian church at 9:00 a. m., and for woodwind and brasses at the music conservatory at 9:00 a. m. The vocal ensembles will compete at 1:00 p. m., in the U. P. church.

## Shower Of Gold Startles Populace

(International News Service)

LIVINGSTON, Ill., Mar. 31.—A literal shower of gold startled residents of this village recently.

Onlookers gasped when a catcher on a fast New York Central railroad train broke under the weight of a mail pouch and \$2,000 in \$10 gold pieces was scattered along the right of way at the station here.

The station agent and his assistants immediately picked up the gold, finding all but one \$10 gold piece. The gold was being sent to St. Louis by mail from the Livingston National Bank.

It all depends on whether the banks merely close down or close up.

## Swick Favors Higher Wages

Votes For Amendments To President's Reforestation Employment Plan

### AMENDMENTS ARE DEFEATED

By ARTHUR C. WIMER  
Special Washington Correspondent  
New Castle News

WASHINGTON, D. C., Mar. 31.—Representative J. Howard Swick was one of those in the house who voted for amendments to the Roosevelt reforestation bill calling for higher wages than the dollar-a-day planned by the president.

In announcing his desire to employ 250,000 men on reforestation work, Mr. Roosevelt stated such workers would receive a dollar-a-day. Opponents of this low wage rate in the house sought to amend the measure so as to specify higher pay and to provide that the families of men so employed be allowed sufficient money to live on.

Both amendments were defeated without the formality of a record vote. Congressman Swick supported them.

## Beer Drinking

On Sunday Is Legal Offense

Statute On Lawbooks Of State Dated 1705 Forbids Drinking On Sabbath

(International News Service)

HARRISBURG, Mar. 31.—Beer drinking in Pennsylvania on Sunday may be a bit sub-rosa.

There still remains in the lawbooks a statute which punishes public tipplers on the Sabbath by tossing them into the stocks.

The law, dated 1705, reads: "All persons who are found drinking and tipping in alehouses, taverns or other public house or place, on the first day of the week, commonly called Sunday, shall, for every offense, forfeit and pay one shilling and sixpence to any constable that shall demand the same, to the use of the poor."

Under the law, tipplers who refuse to disperse at the request of the constable must be hauled before a "squire who may punish them in the stocks."

The joker is—There are no more such stocks in Pennsylvania.

THEY GRIN AND BEAR IT.

During the performance of a revue in Berlin a man shot himself with a revolver. Our playgoers have a lot to put up with, too, but they have more self-control than that.

### LIFE GETTING BACK TO GOOD OLD DAYS

(International News Service)  
PITTSBURGH, Pa., Mar. 31.—America's life is swinging back to the playing of games in the homes; community recreation is increasing. We are going back to inexpensive games like the square and circle dances and the Virginia reel. These assertions are the observations of Robert K. Murray, a specialist of the National Recreation Association now in Pittsburgh.

"It's the curtailed pocketbooks that causes this change," Murray said. "But it's a good change. We are reviving the spirit of community solidarity we were in danger of losing not many years ago."

More than 45,000,000 persons crossed the Canadian boundary last year. Corporation indebtedness in the United States is estimated at \$80,000,000,000.

## Senate Passes Relief Measure Of Half Billion

House Coldly Receives Senate's Direct Federal Aid Bill For Action

**VOTE IN SENATE REPORTED 55 TO 17**

House Speaker And Leader Oppose Bill, But Will Lend Support

(International News Service)  
WASHINGTON, Mar. 31.—The senate's \$500,000,000 relief bill, which embarks the federal government on a new policy of aiding the needy, was received coldly by house Democratic leaders today.

Nevertheless, prompt consideration was promised for the measure with indications that it will be approved substantially as it passed the senate by a 55 to 17 vote yesterday.

**Abandons Loan Policy.**  
The bill abandons the Hoover policy of loaning money to states and cities for relief purposes and makes direct federal grants for this purpose.

Speaker Rainey and Rep. Byrns of Tennessee, Democratic leader, would prefer to loan money to states for relief work, but are supporting the bill.

The measure will be sent to committee for a hearing next Monday, Byrns said, with action dependent upon that of the ways and means committee.

## Will Drill For Gas At Bradford

Belief Exists That Big Oil Field Contains Wealth In Gas Supply

(International News Service)  
BRADFORD, Pa., Mar. 31.—Belief that Knappcreek Dome, in the Bradford oil field, may hold a gas wealth equal to that it has poured forth in oil in the last 50 years, was expressed here today as preparations were made to sink two deep test wells.

Headed by A. J. Douglas, oil producer, and representatives of J. Brooke Reed, independent Williamsport operator, it has been agreed that acreage for the test wells be made available. Reed agreed to test the deep formations.

Careful study has been given the past history of the area as an oil and gas producer. It was decided that two and possibly more test wells will be undertaken to check the gas outlook.

Lease in the new development call to production below 2,500 feet. Plans for the test well call for an expected distance of almost twice that to be reached below the surface into Oriskany Sand or deeper.

## Colorado Leads In Governing Economy

(International News Service)  
DENVER, Mar. 31.—Colorado has the least costly state government in the Rocky Mountain region, according to figures recently prepared by the state tax commission. The commission's survey shows Colorado's tax levy for state purposes to be 3.49 mills, Utah's 8.46, Arizona's 12, New Mexico's 5.5, and Montana's 8.83.

Wyoming had a lower levy than Colorado, but all state institutions in that state are supported by oil royalties.

## The Ministry Of Jesus To All Races

"Brass Tacks" On The Sunday School Lesson

### The Golden Text

Acts 10:38—"Jesus of Nazareth . . . went about doing good."

(The international uniform lesson on the above topic is Mark 7:1-37, the Golden Text being John 10:16: "Other sheep I have, which are not of this fold: them also I must bring, and they shall hear my voice; and they shall become one flock, one Shepherd.")

**By DR. ALVIN E. BELL**

"In Christ there is no East nor West, in him no South nor North; but one great fellowship of love throughout the whole wide earth." Paul expresses this same thought of Christ the unifier of all races, thus: "There can be neither Jew nor Greek, there can be neither bond nor free, there can be no male or female: for ye are all one in Christ Jesus."

**Christ and a Foreigner.**

Jesus was heckled and criticized by the religious leaders of his own people, who came all the way from Jerusalem up to Galilee to quibble about such insignificant matters as the ceremonial washing of hands and other traditional customs and teachings of the elders, until he felt the need of getting away from it all. To get a breath of fresh air he made one of the longest trips of his whole earthly life, an excursion into the gentile country of Phoenicia, "the borders of Tyre and Sidon."

Here a gentle woman whose little daughter was grievously afflicted by an evil spirit came and besought his help in behalf of his child. Geographic and racial lines have no effect in matters of mother love. She was a Greek, a Syrophenician, and Jesus a Jew, but her prayer disregarded the racial barrier between them as she besought his help for her child.

**A Battle of Faith.**

There followed one of the most unique battles in history, a battle of faith between this gentle mother and the Savior of the world. At first he manifested a strange indifference to her appeal as "he answered her not a word."

When he did break the silence, it was with a sectarian remark that seems strange upon the lips of Christ unless we know his gracious purpose in uttering it to draw out this mother's faith: "I was not sent but unto the lost sheep of the house of Israel." Equal to the test she came and worked in the house of Israel, crying, "Lord, help me." Then came his still stranger remark "Let the children first be filled: for it is not meet to take the children's bread and cast it to the dogs."

The word Jesus used here is really "dogs," and here she saw her chance. She would not ask to sit at the first table; she would not even expect bread, but craved only the crumbs the children would leave; she was even happy at the privilege of the position of the "dogs" in the household of such a Lord and Master.

So she prayed, "Yet, Lord, even

the dogs under the table eat of the children's crumbs." This faith was her victory. For Jesus gladly gave her the blessing he was only waiting the development of her faith to receive, as he replied, "O woman, great is thy faith; be it done unto thee even as thou wilt. And her daughter was healed from that hour."

**All Things Well.**

From Phoenicia Christ swept in a wide circle back to Galilee through the borders of Decapolis keeping in foreign parts as long as possible. Here he healed a deaf mute, using as his unique means of grace his own spit with which he touched the man's ears and tongue, crying, "Ephatha," that is, "Be opened"; and straightway the man was healed and the people spread abroad the report which is so expressive of Christ's entire ministry and influence upon all races and conditions of men: "He hath done all things well."

## Believe Foster's Melodian Found

Claim Noted Composer Of Southern Ballads Used In Early In His Career

(International News Service)  
PITTSBURGH, Mar. 31.—Wobly in the legs and dull from lying in dust-filled attics for decades, a century-old melodeon on which Stephen Collins Foster is believed to have composed many of his ever-popular songs has been found here. The melodeon will be sent to Indianapolis and added to the Stephen Collins Foster relics collection of Joseph K. Lilly there.

Miss Annie D. Flower found the instrument by accident while rummaging through her attic in search of original manuscripts of Foster music. She is the daughter of the late George K. Flower, himself a composer, and an intimate friend of the Pittsburgh composer whose southern ballads are known everywhere.

## Waters Suggests Quick Action On Important Bills

State Legislators Urged To Compromise On Comprehensive Program

BALANCED BUDGET NOT DIFFICULT

Opposes Exorbitant Tax On Beer, Would Extend Session Past April 13

By WILLIAM J. KELLY  
International News Service Staff Correspondent  
HARRISBURG, Mar. 31.—A direct appeal for Gov. Gifford Pinchot and legislative leaders to compromise on a comprehensive program came today from Charles A. Waters, auditor general and state treasurer-elect.

Indirectly, Waters called upon the administration and Republican organization officials to halt their bickering and agree to a co-ordinated plan of legislation.

**Balanced Budget.**  
"The problem of a balanced budget for the 1933-35 biennium, with reasonable provisions for unemployment relief, is no longer difficult," asserted Waters, himself a member of the organization's high councils. "Grown-up men should solve it in an hour or two."

Waters' statement was given as an explanation of his stand on all important matters under consideration. He expressed opposition to features of all beer bills and supported the legalization for outdoor sports on Sunday. Old-age pensions and unemployment insurance are "fine in theory" but the people should know how the bill is to be paid.

These important problems should be disposed of before the legislature adjourns, Waters asserted, even though the time may be extended beyond the set date of April 13.

**Special Session.**  
The possibility that another special session of the general assembly would be necessary to handle the relief situation adequately was seen in Waters' remarks.

"No one can intelligently enact relief legislation for an approaching two-year period," he stated. "I believe the Talbot \$22,000,000 appropriation and the \$25,000,000 bond issue, that goes before the electors in November, will provide sufficient funds for unemployment relief. However, if my predictions are wrong, the condition would have to be remedied."

The Talbot bill still must be passed by the senate and signed by the governor. The bond issue must be approved in November.

**Need Contributions.**  
Waters suggested contributions from the motor license, fish and game, and foreign fire insurance funds to the general fund as one method of raising relief revenues. He estimated a 10 per cent donation from the motor license fund would result in approximately \$16,000,000. Such donations should be forthcoming, he said, because the administrative expenses of these departments were borne by the general fund for years.

The auditor general denounced the promiscuous licensing of beer establishments as provided for in the administration beer control bill. He also opposed licensing boards consisting of ex-officio members and urged a more equitable distribution of beer revenues between local and state governments.

**Tax For Beer.**  
The \$2.48 per barrel tax on beer, as called for in the "Pinchot" bill, is exorbitant and will prevent the "nickel glass of beer" in the estimation of the auditor general. He estimated \$12,000,000 would accrue to the state annually on the basis of a \$1 tax per barrel.

The sale of the legalized beverage must be controlled, Waters stated, or he offered no proposals.

The legalization of horse racing on the pari-mutual system to procure funds for financing old-age pensions and unemployment insurance, was recommended.

**New Market Will Open On Saturday**  
Axe and Brenneman To Conduct Another Store On West Washington Street  
Announcement was made today by Axe and Brenneman of the opening of a new market at 116 West Washington street, which will be operated similar to their present location at 32 North Mill street and will be known as the A. and B. Market. The new store will be open for business on Saturday morning. They will handle the same high grade line of goods as in their store on North Mill street, including a complete line of groceries, baked goods, meats and vegetables.

The new location has been renovated and fitted up in modern style all being in readiness for the opening tomorrow morning.

**Wallpaper Without Peel German Claim**  
(International News Service)  
BERLIN, Mar. 31.—Wall paper that it is claimed will not peel off has been invented in Germany. The new product is known as "liquid wall paper." It is elastic and durable after drying.

Loose and unbound paper fibres are used for the production of the new wallpaper, being delivered in the form of a thick paste and then shinned out. It is applied on walls with ordinary glue paints.

### ALLOW PLENTY OF ROOM TO AID CHICKEN HEALTH

Pleanty of room for chicks in the brooder house helps to ward off the dreaded disease of coccidiosis. Where the chicks are not crowded they also are less likely to acquire the vices of feather picking and cannibalism.

Records kept on 123,000 chicks reveal that where 100 chicks had 35 square feet or less space the mortality was 26.3 per cent the first three months, where the same number had 35 to 50 square feet of space the mortality was 16.2 per cent, and where a similar number had 50 square feet or more space the mortality was 13.1 per cent.

These figures show the value of allowing a square foot of space for every two chicks, especially where the young birds are kept in complete confinement for eight weeks or longer. For later brooding when the chicks are put outdoors at an early age apparently it is safe to keep three chicks in one square foot of space. Therefore, a house 10 by 12 feet is large enough to accommodate comfortably 350 chicks.

Another aid in preventing coccidiosis and obtaining uniform growth is early roosting even at four weeks of age. This can be accomplished by building a forcing roost across the back of the house or possibly in some instances along the two sides also.

### APPLY DORMANT SPRAYS TO STOP INSECT PESTS

San Jose scale is abundant in some orchards but fortunately the insect is not generally severe throughout the county.

Fruit growers who discovered scale marks on apples at harvest last fall will exercise the proper precautions by making a dormant application of lime-sulphur solution or oil spray. The scale has increased largely because the tops of trees and under sides of branches have not received proper coverage. The spray should thoroughly cover those places or the job will not be worth the work and expense.

Some orchardists who plan to use special oil preparations as ovicides should complete spraying before the first green shows on the ends of buds. Careful choice of the material to be used is highly important in order to avoid any possible injury that might result from applying strong sprays after the leaves begin to emerge.

Similar precautions are necessary where red spider damage was noticed last summer on apple leaves. Only oil sprays should be applied to clean up infestations of red spider eggs.

### AID INSECT CONTROL BY BURNING REFUSE

One of the best ways to prevent extensive insect damage to vegetable crops is to clean up the weeds and other rubbish on and around the land to be used for gardening.

Numerous insects winter over in tall grass or weeds and some lay eggs on stems or stalks of plants remaining in the garden. The movement of flea beetles and hatching of cabbage aphid eggs occur as soon as temperatures become high and the heat penetrates the sod or rubbish.

Early removal and prompt burning of the garden refuse, as well as burning the weeds areas adjacent to the garden spot will be of real assistance in cleaning up rather severe infestations of obnoxious insects. The fire should be kept under careful control.

### MEET STRAWBERRY NEEDS TO HARVEST GOOD CROP

Proper varieties, early planting, sufficient moisture and ample nutrition influence profitable strawberry production.

Outstanding varieties for Pennsylvania conditions are Howard 17 or Premier, and Aberdeen. While it is true that the quality of these varieties may not be equal to that of some other varieties especially adapted to the home garden, the total yield far exceeds that of other varieties tested.

Early planting is important because the number of plants produced during the growing season is very closely correlated to total yield. Consequently, proper varieties plus a large number of plants produced during the first growing season actually determine profit or loss. In order to obtain a large number of plants, early planting is absolutely necessary. This permits a longer growing season, and more plants pass unharmed through the winter and bear fruit the second season.

Ample nutrition is of vast importance. Liberal application of fertilizer or stable manure will be found capable of meeting immediate demand, but as soon as the plants are firmly established the use of fertilizer of high nitrogen analysis will be necessary.

### STARVING BEES NEED FOOD TO SAVE LIVES

Hundreds of colonies of bees starve in Pennsylvania every spring, says E. J. Anderson, extension apiarist of the Pennsylvania State college.

## Sheep Like Tobacco, Held As Beneficial

(International News Service) OTTAWA, Can.—Even sheep like tobacco and it's good for them, according to Canadian authorities on animal husbandry. An official bulletin issued jointly by the Dominion and Provincial Departments of Agriculture said:

"Ten pounds of crushed tobacco leaf mixed with 100 pounds of salt and exposed regularly to sheep will

help greatly to keep down the number of stomach and intestinal parasites with which so many flocks have become infested.

"The tobacco leaf should be dry in order that it may be broken up in a size equal to wheat bran. The salt and tobacco are mixed together and just enough water added so that the tobacco will stick and the salt settle into a firm cake."

TECHNOCRACY NOT REMEDIAL CLAIM OF JOBLESS GROUP (International News Service) CHICAGO, Mar. 31.—Not all of

the nation's unemployed are ready to accept the new theories of technocracy as a way out of present-day economic ills.

The Federation of Unemployed Workers' Leagues of America has just issued, through its executive

committee, a statement criticising Technocracy teachings.

"The Technocrats," the statement declares have no remedy for the problems arising from the forces they are analyzing. That, at last, is the opinion repeatedly voiced by our members, the majority of whom

are already victims of technological unemployment."

SAMPLE OF MUCH ADDO ABOUT NOTHING (International News Service) WHITE PLAINS, Mar. 31.—Dense

clouds of smoke, billowing out of a rear window, brought six fire engines to a burning house. Knocking down the door, the firemen saw two herring frying on the kitchen stove. Richard Hornstein, the cook, had fallen asleep on the job.

## Government Honors Mother Of Four

(International News Service) ROME—Italy's birthrate has been unexpectedly increased by Mrs. Elena Badoni, living at Frascati in the neighborhood of Rome, who gave birth to four sons, all of whom are doing well.

Even in this country, where triplets are by no means rare, quadruplets are not often heard of. The government sent congratulations to the parents and the Fascist press praised them.

But a new deal can't help much if everybody is still afraid to bid.

# TWO HUNDRED PERFORM IN LOCAL 'Y' CIRCUS

## Large Crowd Sees The Opening Show

Performance To Be Repeated At Y Gym Again This Evening

## MANY FEATURES MARK PROGRAM

A circus of fun-making fame—at least 400 satisfied spectators who saw it will rate it such—saw into New Castle last night to sprinkle "big top" entertainment in the Y. M. C. A. gymnasium in carloads—it was the first time, fans recalled, an indoor show has been given since Old Man Depression came to visit Uncle Sam.

Before another throng in the gym the show will be repeated by the nearly 200 performers at 8 o'clock tonight. A children's matinee is to be given at 2:30 p. m. on Saturday.

**Benefit Program.**  
Sponsored as a benefit for the city's Young Women's Christian association and Young Men's Christian association, last night's carnival program won hearty applause from the very moment the acts commenced until Ringmaster DeLace Cole, astride his comical mock horse, drove out into the arena as events closed.

New Castle talent prevailed in the dances, clowning, acrobatic stunts, boxing, bull-fighting, band playing, strong man acts and the host of other joy-making antics that featured the great "Sore Paw and Dinglehoof" show. And time and time again they were applauded.

Only the gymnastic team of the Slippery Rock State Teachers' college, Slippery Rock, was imported for the evening. The athletic crew gave an impressive exhibition.

**Performers Volunteered.**  
Volunteers served in every capacity last night, from the mite of a dog out of which one clown churned "weenies" to the entire group of Ben Franklin music students who composed the able band. Directors, coaches, trainers all served gratis and gladly so.

"On with the show," cried Cowboy Cole shortly after 8 o'clock, and, one after another, these acts appeared:

Act I—Insanity patients.  
Act II—Strong man act. Baby carriage act.

Act III—"Moon Time" act. Tight rope walker.  
Act IV—World's premier revolver shooters.

Act V—Human caterpillar (girls on roller skates).  
Act VI—"The Kid From Spain" (bull fighting).

Act VII—Ladder climbers. Clown pyramiding.  
Act VIII—"City Dump" act. Boxing act.

Act IX—Frogland act. Water-throwing act.  
Act X—Ziegfeld "foolishers" (adult men, garbed as scarf dancers).

Act XI—Slippery Rock gymnastic team.  
Act XII—Tray act.

Act XIII—Gravity thrillers.  
Act XIV—Susie's band.  
Act XV—"The two-who-go-no-where" act.

**Committees for Circus.**  
Alce Samuels was the show's advance agent and general chairman for the entire performance. An executive committee, including Mrs. J. E. Elliott, R. L. Meermans, Miss Margaret White, Henry MacNichols, Miss Marian Wilson, Miss Virginia Duff and Mrs. A. B. Fankhauser, assisted him.

The following others served in different capacities:  
Program—George E. Lyon, chairman; Henry MacNichols, Miss Marian Wilson, Bart Richards, Charles Gillum, Jack Boyles, Miss Mary Beighley and Mrs. Earl Ruby.

**Tickets—Mrs. Roy Long,** chairman; Roger Meermans and Miss Kate Daniels.  
**Publicity—Francis Uhle,** chairman; Mrs. L. Berry and Bruce Ewing. Stage—Joseph Bara.

**Concessions—Miss Virginia Duff** and W. A. Thomas.  
**Advertising—Paul Gilbert** and Miss Lenora Beall.

**Special stunt committee—Miss Ruth Lewis** and DeLace Cole.

## TEACHER WHO HIT YOUTH IS JAILED

UNIONTOWN, Pa., Mar. 31.—Their home in Perryopolis mortgaged and her father, Grant Buttermore, a cripple and scarcely able to work at his trade of carpenter, Miss Ada Buttermore, 34, a school teacher, Thursday was sent to the Fayette county jail for two years for failure to make a substantial payment on an \$11,100 doctor bill of a youth struck by her automobile.

Miss Buttermore had been given two previous chances to make an initial payment on the bill. The first time the court required a payment of \$500 and then reduced it one half. In both instances she failed.

## Farm Mortgage Aid Planned

Administrations Agricultural Relief Bill Runs Into Delay Today

## WILL REFINANCE FARM MORTGAGES

(International News Service)  
WASHINGTON, Mar. 31.—President Roosevelt's desire to aid distressed farmers in saving their mortgaged farmlands today delayed action on the administration's agricultural relief bill.

The measure, drafted to inflate farm prices by \$1,000,000,000 a year, was held in the senate agriculture committee pending a decision by administration leaders on farm mortgage relief.

When administration leaders agree on a plan, a new section will be added to the farm bill, proposing the use of federal funds in refinancing farm mortgages.

Mr. and Mrs. James Osborne and daughter spent Monday evening at the home of Mr. and Mrs. George Hoagland, at No. 8 and Mr. and Mrs. Paul Osborne and family spent the same evening at the home of her mother Mrs. Ella Bell at Greenfield.

The many friends in this vicinity of Mrs. Thomas Suttill of New Castle were sorry to hear of her accident on Saturday, and wish her a speedy recovery. Mrs. Suttill was a former resident of this place having lived on the farm now owned by W. I. Cress and was Miss Mamie Hoge.

Mrs. Clair Heckathorne entertained a number of friends at her home on Saturday afternoon in honor of her husband's birthday which was a complete surprise to him. Guests were present from New Castle, Youngstown, O., Coaling and other places. At a late hour a delicious lunch was served by the hostess.

## Home Of United Mine Official Is Damaged By Bomb

Thirteen Persons, Including 11 Children Are Imperiled By Blast

(International News Service)  
PITTSBURGH, Mar. 31.—Attributed by police to a flare up in the fight between the United Mine Workers of America and the National Miners Union for supremacy in the Coverdale field, a bombing today imperiled the lives of 13 persons, including 11 children.

Blasting a 15-foot hole in the home of J. W. Hayman, scale committee member of the United Mine Workers, the explosion was heard in Brookline and Beechview, ten miles away. Residents of the community, rushed to the entrance of Coverdale Mine No. 8, of the Pittsburgh Terminal Coal Corporation, fearing a mine explosion.

Hayman, his wife, and eleven children were sleeping at the time of the blast but escaped injury.

## Two Cent Postage May Be Back Soon

(International News Service)  
ATLANTIC CITY, N. J., Mar. 31.—Congressman James M. Mead, chairman of the House committee on postoffice and postroads, predicts that the two-cent postage rate will return next July 1.

Basing his deductions on last year's figures, Mead said the postoffice department faces a loss of \$100,000,000 in business during 1933 alone if the present three-cent rate is continued.

In his first public statement on the subject, following year's study, the representative forecast the eventual reduction to one cent for

drop (local) letters, probably within the next two or three years. Mead stated postoffice department figures for 1932 indicated there would be five billion fewer letters mailed this year because of the three-cent postage rate.

## SAY SORORITIES ARE UNDEMOCRATIC

(International News Service)  
SWARTHMORE, Pa., Mar. 31.—Sororities, long a bone of contention, have been abolished by a vote of the Swarthmore College "co-eds." The vote was 160 to 108.

The new order of things will mean that about 25 per cent of the girls, or those not invited to join the various sisterhoods, will be on the same social plane as their sorority classmates.

The vote was taken after the non-members pleaded that the sorority system was undemocratic.

## Supreme Court Reviews Sharon Decision Today

Will Decide On Whether City Council Can Levy Tax Resulting In Surplus

(International News Service)  
PITTSBURGH, Mar. 31.—Pennsylvania's supreme court today took under advisement arguments on the question of whether the city council of Sharon can legally levy a tax which, on the face of value of community property, might result in a surplus of \$106,000.

Brought before the state's highest tribunal on an appeal by city officials from an injunction granted in Mercer county common pleas court, the argument was advanced by counsel for the appellants—the mayor, councilmen and treasurer of Sharon—that they were within their rights, under Pennsylvania law, in estimating the amount of taxes liable to default.

**Claims Tax Unfair.**  
In establishing the tax rate for the 1933 fiscal year, the Sharon officials estimated that 40 per cent of the taxes levied would be defaulted. Hence, they boosted the tax rate from eight to 14 mills. The difference in revenue, in the event that all taxes assessed are collected, would be \$106,000.

Howard B. Smiley, arguing his first case before the high court, contended on behalf of the taxpayers that not only was the restrained tax rate unfair to the citizens who met their tax levies with prompt payment, but that the disputed city ordinance was not consistent with legislation governing taxation in third-class cities.

## Snow Fences Are Down In County

Protection Against Drifting Snow Along Highways Has Been Taken Down

All snow fences along state highways in Lawrence county have been taken down and placed in storage for the coming year, Superintendent H. W. Lightner stated today. The fences were not needed much this year, very little snow having fallen during the winter, particularly after Christmas. There was more real winter weather experienced during the early part of December, than all the rest of the winter put together.

### Clark Will Stay In Hospital For Number Of Weeks

Both Legs Broken When Pennsylvania Railroad Coal Car Turns Over

A long stay in the city hospital of Youngstown is on schedule for LeRoy E. Clark, of 520 West Cherry St., who was injured in a railroad accident Wednesday.

Clark received bad fractures of both legs and barely escaped death when a coal car of the Pennsylvania railroad became derailed and turned over in the Youngstown yards.

Clark, a Pennsylvania railroad conductor, was on the coal car at the time, and was pinned under when it toppled over.

Considering the seriousness of his injuries, Mr. Clark is doing very well. Mrs. Clark and Mr. and Mrs. C. A. Weaver visited him shortly after hearing of the mishap.

### Students Present Musical Program

A program honoring the compositions of Haydn was presented at Mahoning school Wednesday. Those taking part were students of the 7th, 8th and 9th grades.

It was mainly a musical program, a number of Haydn's selections being played by the orchestra and sung by the chorus. There was a play and talks on the life of the composer.

Miss Ann Thomas was in charge of the music; Miss Jane Kyle and Miss Jane Young, the dramatics.

### MAHONING BOOK CLUB MEETS ON THURSDAY

Mahoning Book club members were entertained by Mrs. E. F. Toepfer, of Hazelcroft avenue, on Thursday afternoon. Nearly all the members were present as well as two special guests, Mrs. Hazel Balph of Bellevue and Miss Luella Stevenson of Hookstown, the latter being the house guest of Mrs. D. C. Schnebly.

Luncheon was served by Mrs. Toepfer, assisted by her daughter, Mrs. Balph.

In two weeks the club will meet with Mrs. J. C. Raney, West Cherry street.

### McCOY CLASS MEETS

About twelve members of the McCoy Bible class of the Mahoning Methodist church met at the home of Mrs. E. M. Druschel, Orchard St., Thursday evening.

The evening was spent socially and with sewing after a short business meeting. Mrs. Druschel served a light lunch.

### LEARN OF ILLNESS

Friends here have learned of the illness of Frank Guthrie, formerly employed here, now a resident of Dallas, Texas. Guthrie, who left here because of his health several years ago, was in a critical condition when heard from several days ago.

### BOYS ARE HOSTS

Boys of the Senior Christian Endeavor of the Mahoningtown Presbyterian church showed themselves to be excellent hosts last night

when they entertained the rest of the society at a party in the parsonage, 211 Newell avenue.

It was an affair even more than usually enjoyed, with games as the principal diversions.

At an appropriate time, the boys served a lunch they had prepared. The new officers, George Maud, president, and Tom Schnebly, secretary and treasurer, will be in charge of the future meetings of the Christian Endeavor, as it begins its activities of the new church year.

### CHOIR TO GATHER

Choir members of the Mahoningtown Presbyterian church will meet for rehearsal and social time this evening at the home of Mrs. D. C. Schnebly, 211 Newell avenue.

### SEVENTH WARD PERSONALS

Letter Received From Benjamin Jones; Prepare Easter Cantatas

(By WILLIAM A. JOHNS)  
Brythion  
A letter has been received from our old friend, Benjamin Jones, Swansea, South Wales, brother of the late John J. Jones, who died a few weeks ago at the home of his daughter Mrs. William Johnston, of Williams street.

A glorious prayer meeting was conducted last Wednesday evening, at the Emmanuel Baptist church. The scripture lesson was read by the young sister, Miss Eva Jones, and prayers were offered by Griffith Phillips, David Phillips, Mrs. Mary Jones, Mrs. Thomas L. Jones. A motion was passed to join with the First Congregational church in the singing festival Gymanfa Ganu, Sunday April 9.

Children of the Emmanuel Sabbath school, under the leadership of Binley Hughes and a choir under the direction of William H. Richards are busy preparing cantatas for the Easter service. They will take one Sunday each for their cantatas.

## Exports Fall Off In State

Pennsylvania Ranks Fourth In Nation In Exports Value

TEXAS IS FIRST; NEW YORK SECOND

By ARTHUR C. WIMER  
Special Washington Correspondent  
New Castle News

WASHINGTON, D. C. Mar. 31.—Although Pennsylvania exports fell off 46 per cent in value in the first nine months of 1932 as compared with the corresponding period of 1931, the state continued to rank fourth of the states, the Commerce Department reports.

In the first nine months of 1931, Pennsylvania exports were worth \$142,489,550. The state ranked fourth of the states in this respect, New York coming first, Texas second and California third.

In the first nine months of 1932 the value of Pennsylvania exports fell to \$76,219,384. The state continued to rank fourth, however, although there was considerable shifting around among the leaders ahead of the Keystone State.

Texas moved from second to first ranking and New York fell from first down to second. California remained third, followed by Pennsylvania in fourth position.

### Capone Gang To Continue Beer Sale Is Report

"Will Undersell And Make Better Beer Than Breweries," Says Capone Henchman

(International News Service)  
CHICAGO, Mar. 31.—L. E. Molner, former cellmate of Al Capone, today divulged plans of the Capone

gang to continue in the beer business here in competition with legitimate brewers after April 7.

While they were together in Atlanta penitentiary Molner said the gang overlord became confidential and outlined the program of the Capone organization to remain a powerful factor in the brewery business after beer becomes legal next Friday.

"He said they would make better beer than the legitimate breweries and would undersell them," Molner declared.

Big ideas that are practical seldom come from a swelled head.

## WIVES OF CROUPIERS DEMAND 'NEW DEAL'

MONTE CARLO, Mar. 31.—Protesting that Monte Carlo is not as cheap a place for food as it should be and much dearer than Italy, the wives of the Casino croupiers went on a shopping-strike recently and refused to buy their household supplies here. A great exodus of the housewives took place to Ventimiglia, just across the border, where they made their purchases. Many of them were accompanied by their husbands who are encouraging the women in their strike.

Croupiers, like many others along

the Riviera, are having an unhappy time of it these days because of the few foreigners and other visitors to the holiday resorts. Their wives are obliged to make what money they have go as far as possible and purchase where food is cheapest.

**DERRICK RADIO**  
(International News Service)

## Semi-Dictator For Railroads Being Opposed

Organized Labor Plans Heated  
Opposition To Reduc-  
ing Of Employment

COMMITTEES ARE  
TO BE SELECTED

Hope To Put Railroads Of  
Country Back On Feet  
By New Deal

By GEORGE K. HOLMES  
International News Service Staff  
Correspondent

WASHINGTON, Mar. 31.—Under-  
terred by the savage opposition of  
organized labor, the Roosevelt ad-  
ministration drove steadily forward  
today with plans for setting up a  
semi-dictatorship over the nation's  
vast railroad system.

The necessary legislation is ex-  
pected to be ready for transmission  
to congress next week. It is being  
worked out by a committee compris-  
ing Secretary of Commerce Roper,  
Prof. A. A. Berle, Joseph B. East-  
man of the Interstate Commerce  
Commission, and Prof. W. W.  
Splan, formerly of the University  
of Texas.

Federal Co-Ordinator

The plan contemplates the ap-  
pointment of a federal co-ordinator,  
with powers comparable to those  
exercised by the war-time director  
general of railroads, and the crea-  
tion of regional committees to be  
selected by the roads themselves.

These committees would be charged  
with working out plans for:  
(1) More economical use of ex-  
isting facilities (2) elimination of  
waste, (3) elimination of duplicate  
services; and (4) greater utiliza-  
tion of each other's equipment,  
trackage, terminals, and rolling  
stock.

Would Have Power

The recommendation of the com-  
mittees would go to the co-ordi-  
nator, who would be equipped with  
power to enforce their adoption  
where the carriers balk.

Specific set-ups would be subject  
to review by the Interstate Com-  
merce Commission. This would  
tend to minimize the possibility of  
dissidents rushing to court on the  
ground they were being denied due  
process of law.

That the new deal for the rail-  
roads will face bitter opposition  
from organized labor was made ap-  
parent today in a blistering state-  
ment from Railway Labor Execu-  
tives' Association, speaking for vir-  
tually all classes of railroad labor.

All they can see in the plan is  
reduced employment.

Reduce Employment

"Every measure of so-called  
'economy' which reduces the total  
income of the wage earners brings  
nearer the day when millions of  
dispossessed, destitute and desper-  
ate people will be goaded into seiz-  
ing the food, clothing and shelter  
to which they have a right by the  
supreme law of self-preservation,"  
said a statement by the Union lead-  
ers.

"No government or private em-  
ployer," it continued, "has the right  
today to take away jobs or wages  
necessary to keep human beings  
alive and healthy, without accept-  
ing the responsibility for supply-  
ing new means of support.

Must Provide Relief

"No man who has more than he  
needs has a right today to hoard his  
surplus while millions are in want.  
The government should borrow  
from those who will lend, and take  
away from those who will not, all  
the money necessary to put millions  
of men to work now.

"The government, which will not  
put the need for spending money to  
provide more work and wages ahead  
of any demand for saving money by  
reducing work and wages, cannot  
endure.

"The millions of unemployed, and  
those still employed on part time  
and miserable wages, have been pa-  
tient long enough. It is time to  
stop asking for relief. It is time  
to demand action from those who  
have the power to act. If that de-  
mand is not met, the power of ac-  
tion must be transferred to those  
who will use it for the common  
good."

## Fiend's Victim

Six-year-old Barbara Willes, who  
was attacked and strangled by a  
fiend while playing in the basement  
of her home in Brooklyn, N. Y.  
The tot, still alive, was found by  
her mother a few minutes after  
the attack. She died two hours  
later.

## City Officials To Attend Meeting

Will Go To Session In Pitts-  
burgh To Discuss Indus-  
trial Revival

Mayor Charles B. Mayne and  
Councilmen A. H. Hoyland and D.  
O. Davies, will attend a meeting  
Saturday at Pittsburgh, arranged for  
the purpose of stimulating indus-  
trial activity in Pennsylvania.

William A. Magee, former mayor  
of Pittsburgh, will be the principal  
spokesman at the meeting to be  
held in the Urban room of the Wil-  
liam Penn hotel. Four hundred per-  
sons are expected to attend.  
It is hoped to stimulate interest  
in having proper legislation passed  
by the commonwealth to enable  
Pennsylvania to secure further mon-  
ies from the Reconstruction Finance  
corporation to be used in worthy  
construction projects.

The invitation to city officials was  
extended through secretary of the  
local chamber of commerce Alfred  
Chilton. All of the officials ex-  
pressed the opinion that the move-  
ment is of such importance the city  
should be represented officially.

## Story Hours At Library Ended

Weekly story hours came to a  
close Thursday afternoon when Miss  
Alice Joyce recounted the interest-  
ing facts concerning "Snow White"  
and "Puss in Boots" to a group of  
43 youngsters at the New Castle free  
public library.  
It was a request story hour. The  
children's librarian told stories the  
youngsters wanted most to hear. No  
more regular Thursday hours will be  
conducted at the main library. How-  
ever, a story hour is being arranged  
for the South Side branch in early  
April.

## ALTOONA CITIZENES HUNT RADIO NOISES

(International News Service)  
ALTOONA, Pa., Mar. 31.—The city  
of Altoona has gone into the busi-  
ness of hunting down mysterious in-  
terferences in radio reception.  
A city radio commission of 15  
citizens, serving without pay, probes  
complaints of disturbances, deter-  
mines the cause and suggests cor-

## President Sends Thanks For Letter

Frank C. Summers, Local  
Business Man, Gets Acknowl-  
edgement From Roosevelt

Frank C. Summers, local business  
man, who recently sent a plan for  
relieving the unemployment situa-  
tion in the country, to President  
Roosevelt, has received an acknowl-  
edgement from the president,  
thanking him for his interest.  
The letter, mailed from the White  
House, follows:

March 18, 1933.  
Frank C. Summers, Esq.,  
407 North Jefferson St.,  
New Castle, Pa.

My Dear Mr. Summers:  
President Roosevelt has asked me  
to acknowledge and thank you for  
your letter of February 24. He much  
appreciates the interest which  
prompted you and Mr. Butler to  
send him your plan to relieve un-  
employment and is glad to have  
your suggestions.

Very sincerely yours,  
LOUIS M. H. HOWE,  
Secretary to the president.

## Community Chest At Half-Way Mark

Subscriptions Have Been  
Promptly Met During First  
Six Months Of Year

With the Community Chest at  
the half-way mark, semi-annual  
payments to the Chest will be due  
and payable on April 1, it was  
stated today by officials of the  
Chest.  
Payments during the first six  
months of the year have been  
promptly met by the subscribers,  
and the officers of the Community  
Chest are hopeful that an effort  
will be made by the subscribers to  
continue their payments promptly,  
so that the work of the agencies  
under the Community Chest and  
the Mayor's Relief may be carried  
on in an efficient manner.

range. The total scores for the six-  
man teams were Bessemer 1087,  
Butler 1086. High score was taken  
by Masson of the Bessemer team  
with a mark of 191. D. R. Bell of  
Butler was second high with 190.

The Butler team spent the week  
time for the Bessemerites following  
the shoot and an enjoyable few  
hours was spent. The Bessemer  
team will entertain the Butler team  
at Bessemer two weeks from today  
with another shoot.

## Musicians Ready For County Meet

Will Adjudge Finest Of Con-  
testants At New Wilm-  
ington TomorrowWINNERS WILL GO  
TO ERIE CONTEST

The cream of musicians and ora-  
tors from Lawrence county's 13 high  
schools will contest at New Wilm-  
ington on Saturday to determine  
which groups shall go to Erie in  
April to represent the county in the  
annual Northwestern Pennsylvania  
Inter-Scholastic Music Contest,  
where the winner from six counties  
will compete.

At the Senior High school and Ell-  
wood City's Lincoln high school the  
musicians were in final rehearsal  
today, as were groups in the 11  
county high schools which expect to  
send contestants.

Four programs are  
scheduled to occur simultaneously  
in the United Presbyterian church,  
the Westminster music conservatory  
the Westminster chapel and in the  
Little Theatre in Old Main Me-  
morial.

Principal Walt Whitman of the  
New Wilmington high school is gen-  
eral chairman of arrangements.  
Judges for the events will come  
from all over the district.

Victors in the day's contests, it is  
announced, will present a public  
program in the Westminster chapel  
on Saturday evening at 8 o'clock.

The following schedule of contests  
was announced:  
At 9 a. m.—String contest with 12  
entries at the United Presbyterian  
church; County Superintendent J.  
C. Syling, chairman.

At 9 a. m.—Piano and vocal solos  
with 20 entries at the Westmin-  
ster chapel; Assistant Superinten-  
dent Clare B. Book chairman.

At 9 a. m.—Woodwind and brasses  
with 17 entries at the college con-  
servatory; Joseph Replogle, Senior  
high director chairman.

At 9 a. m.—Forensic events in the  
Little Theatre hall; F. F. Poltz,  
chairman.

At 1 p. m.—Vocal ensembles and  
chorus in the United Presbyterian  
church; Miss Gladys Rich, New  
Castle school music supervisor,  
chairman.

The Erie contest will serve as an  
elimination for the state-wide con-  
testation at Sunbury on April 28 and  
29.

## NEGRO SNATCHES WATCH FROM MAN

David James, of 410 Bell avenue,  
reported to the police this morning  
that about 1:15 a. m. as he was  
walking north on the P. & L. E.  
tracks between South and Wash-  
ington street, that a negro grabbed  
his watch, a 17 Illinois movement  
from his pocket and made his  
getaway. He described the man as  
being young, about five feet eight  
inches in height and wearing a cap.

All locomotives in Argentina have  
to be equipped with electric head-  
lights.

highway system.

## Shaw Visits Hollywood Studios

America's motion picture industry made an obvious impression upon  
George Bernard Shaw when the noted British playwright visited the Met-  
ro-Goldwyn-Mayer studios in Hollywood. Marion Davies, screen star, is  
shown escorting Shaw around the studio lot. After meeting many of  
Hollywood's leading stars, Shaw embarked for New York by steamer with  
Mrs. Shaw.

## Mission For Women Will End Sunday

Mission For Men Will Open At  
St. Mary's Church On  
Sunday Evening

Congregations of women that  
crowd every available bit of space  
in the spacious parish church of  
St. Mary's congregation continue to  
attend the mission for women, in  
progress there each night, with Rev.  
Fr. Geoffrey Stone and Rev. Fr.  
Francis Shields in charge.

Rev. Fr. Stone, C. S. S. R., will dis-  
cuss the obligations of Catholics to  
the laws or precepts of their faith.  
This service starts at 7:30 o'clock.  
Rev. Fr. Francis Shields, C. S. S. R.,  
will be the preacher and in charge  
of the consecration and dedication  
of the women, who have been at-  
tending the mission to the Blessed  
Virgin Mary.

The mission to women comes to a  
close at three p. m. Sunday after-  
noon. Mission for men starts Sun-  
day evening and will continue all  
next week.

## Turner High In Nonpareil Shoot

In a recent published report of  
the shoot held by the Nonpareil  
club held Wednesday at the rifle  
range of Union high school, Harry  
C. Turner was properly credited with  
winning the competition. His score  
was too low, however, as he had a  
total of 187 points instead of 184  
points as recorded. His score was  
standing 48; kneeling 45; sitting 47  
and prone 47, a total of 187.

## Two Pass Tests, Planes Inspected

Homer Gardner and Bill Milson  
yesterday took solo flying tests at  
the New Castle Airport, New Castle.  
New Bedford highway. Both passed.  
Airplanes at the port also were test-  
ed and found in good condition. The  
tests were made by Inspector Doak  
of the U. S. Department of Com-  
merce, in charge of this district.

## CABINET WIVES IMPORTANT IN CAPITAL SOCIETY

One, Mrs. Henry A. Wallace; 2, Mrs. Daniel C. Roper; 3, Mrs. George H. Dern; 4, Mrs. James A. Farley;  
5, Mrs. Homer S. Cummings; 6, Mrs. Claude A. Swanson; 7, Mrs. Cordell Hull; 8, Mrs. Harold L. Ickes;  
9, Mrs. William H. Woodin; 10, Mrs. John N. Garner.

Cabinet wives play an important  
part in Washington society. There  
is now a cabinet husband, but  
Paul C. Wilson, husband of Fran-  
ces Perkins, secretary of labor, re-  
fuses to be lugged into the lime-  
light. Mrs. Cordell Hull, wife of  
the secretary of state, has the  
most arduous duties, entertaining  
the foreign diplomats. She is a  
Virginian; Mrs. Claude A. Swan-  
son, whose husband is secretary  
of the navy, is also a southern  
woman, and was, in 1925, pre-  
sented at the British court. Mrs.

William A. Woodin, wife of the  
secretary of the treasury, of New  
York, is a quiet woman interested  
in church work. The wife of the  
secretary of war, Mrs. George H.  
Dern, is especially interested in  
peace and the mother of seven  
children, as is Mrs. Daniel C.  
Roper, spouse of the president's  
secretary of commerce. The wife  
of James A. Farley, postmaster  
general, also from New York, is a  
boxing fan and also knows her  
politics. Mrs. Harold L. Ickes,  
wife of the secretary of the in-

terior, is a Republican and mem-  
ber of the Illinois state legisla-  
ture; Mrs. Henry A. Wallace, wife  
of the secretary of agriculture,  
runs true to form, likes garden-  
ing; Mrs. Harold S. Cummings,  
whose husband has been made,  
temporarily, attorney general,  
hails from Stamford, Conn. And  
Mrs. John N. Garner, wife of the  
vice president of the United  
States, takes social precedence  
over all the cabinet wives, and is  
widely known as her husband's  
secretary.

## Inter-Racial Meet In Baptist Church

Weekly Services Of Song And  
Speaking Features Meetings  
Sponsored By Club

The weekly inter-racial Christian  
service was held Thursday evening  
in the Hungarian Baptist church,  
Reynolds street, with the Fishermen  
club of the First Baptist church in  
charge.

B. French Johnston spoke on  
"What Sin Is" and D. R. Smith,  
chairman of the board of deacons  
of the First Baptist church, spoke  
on "How to Overcome Sin."

An interesting musical program  
included a Hungarian solo by Ethel  
Bara; a solo by Mrs. R. T. Morris  
of the Emanuel Baptist church, ac-  
companied by Rose Balogh; a trom-  
bone solo, Adrian Heaton, "The Lost  
Cord," accompanied by Miss Eliza-  
beth Owens. He responded with an  
epicure.

## Plaintiff Granted New Trial Of Case

In the case of George Hrebik  
against P. J. Grzykowski and John  
Dando, in which a verdict was ren-  
dered for the defendants, Judge  
James A. Chambers handed down  
an opinion this morning in which  
he granted a new trial as to Grzy-  
kowski and refused it as to Dando.

The case is one growing out of  
an automobile accident at the cor-  
ner of Long Avenue and South Mill  
street. Grzykowski, driving the  
Dando car, was making a turn from  
Long Avenue to Mill street, when  
Hrebik who was crossing South Mill  
was struck and injured.

## CITY SEASCOUTS, BOYSCOUTS GET IMPRESSIVE RECOGNITION

'The Lawrence' Patrol Holds  
District's First 'Bridge  
Of Honor'

### HONOR LARGE GROUP AT CHURCH EVENT

The notes of a boatswain's call sounded, and the word "All hands to quarters" was passed. A line of Scouts took positions on a bridge designed to represent the bridge of a ship, with running lights, life-buoy and ship's bell complete. "Strike eight bells," was the next order. As the strokes of the bell ceased, two long trills on the boatswain's call sounded for "sideboys", and the officers of the first Seascout "bridge of honor"—held in the First Christian church last night—came up the gangplank and took command of the ceremonies.

Ceremony is innovation. It was something new in local scout circles. The crew of the laboratory Seascout patrol "Lawrence", attached to troop V-15, served as members of the court of honor.

A good sized crowd was on hand, besides the large number of scouts and scouters who appeared for awards. Some of the new in first class advancement was tried out, the calling in and scrutiny of maps (a part of the first class work). Two scouters took the scouts aside and explained details of this work, showing them where certain corrections could be applied. (It is likely that a board of review will handle such work hereafter.)

A complete roster of the boys who were recognized last night follows: From tenderfoot to second class rank—Dick Wallace, Harry Ray, James Jenkins, Bob Evans, Harry Shaffer, Francis Hanna, Mike Chirozzi, John L. Cook, James J. Dugan, Carl Stevens, George Vargo, Robert Rie, Edward Freeman, Jr., Sidney Verter, R. Robinson, William Sheare. From second class to first—Ernest McCandless, Junior Phares, Thomas Hitchens, Steve Schuster, Tom Bailey, Roger Hawk, James Finnegan, Bob Mackie and Bob Garvin. Second class scouts who earned merit badges were Jack Jameson, Bertice Volland, George Stitzinger, Joseph Vargo, Lloyd Williams, George Large, Bob Garvin, James Rupert, Robert Dix, Howard Updegraff, Junior Phares and Thomas Hitchens.

First class scouts who received merit badges were: Gerald Book, Reed Shiner, Frank Shaffer, Ralph Davies, Omar Fink, Jr., Ed Schlosser, Andrew Tusale, Bob Young, Howell Williams, Crawford Lyon, George Horton, Robert McCaslin, James Gravenstreter, Bob Cole, Bud McCamie, Robert G. Love, William Shira, Bob Miner, Joseph Ferris, Charles Krause, Lawrence Bennett, Dick Hamilton, Joe Lloyd, Francis Alexander, William Zahneiser, Jack Rupert and Joe Greer.

Leaders Get Recognition. Troop leaders also came in for their share of awards: Alfonso Szamreay, Jack Hainsworth, E. D. Hawk (to Star rank), Dr. R. C. Lutz, Ray Zeigler, Robert Allen and H. G. Horson being cited. Seascout Bill Pherson was commissioned as a junior assistant scoutmaster.

Scouts Gerald Book, Frank Shaffer and Bob Young were cited for Star Scout rank. Seascout John Stump was presented his Eagle badge by Dr. G. S. Bennett, and in turn, Stump pinned the Eagle miniature on his mother, who pinned on his own badge.

Other Eagles were numbered in the list above of merit badge awards, but there were some who became possessors of Eagle Bronze Palms. Dick Hamilton Bud McCamie, Ralph Davies and Seascout Bob Moore were in this group.

The Seascout unit was then lined up and five Seascouts, George Horton, Ed Schlossberg, Hans Holm, Herman Kitchen and John Stump, were advanced to the rank of Ordinary Seascout, these men coming from the apprentice grade. After this ceremony the crew was piped down and Dr. Bennett dismissed the audience.

Great credit is due Skipper Sid

Smith, Committeeman Frank Hassen and the Seascouts for the hard work they put in preparing the meeting place, and the Christian church also has a vote of thanks for the use of its meeting rooms.

Pay Whirl Tribute. During the session, news was received of the death of Robert Whirl, troop committeeman of New Castle 12 troop. The audience stood a minute in silent respect to the scout who had ended the long trail. Mr. Whirl had also been active in a scout capacity in past years of the work here.

### Music And Magic Entertains Union Township Students

Union township high school students enjoyed music and a display of magician's art when they met for a regular chapel program on Thursday afternoon. Hazel Fraley conducted the opening devotionals. New Castle's blue and gold harmony boys provided popular and spiritual music while Donald Hoffmaster, member of the school's faculty, entertained with his many mysterious tricks. John Slizeski assisted him.

### Attend Funeral Of Ohio Relative

Mr. and Mrs. Clarke Pattison, Mr. and Mrs. Wilfred Thomas and family, Mr. and Mrs. Ed. Winter and family, Mr. and Mrs. Claire Cook, Mr. and Mrs. T. C. Armstrong, Mr. and Mrs. E. E. Blaine, E. H. Cook, J. C. Morrow, Mrs. S. L. Beck and Mrs. E. C. Morrow of this city attended the funeral of Lieut. J. W. Cook in Cleveland Wednesday.

Others in attendance from near here were Mr. and Mrs. Winfield Johnson and Mrs. C. C. Sullivan, Youngstown, Ohio, Mr. and Mrs. John McDannels, Meadville and Mr. and Mrs. L. L. Berger, Franklin.

### Goodness; Hot Dog Facing Competition

(International News Service) PORTLAND, Ore., Mar. 31.—The "Hot Dog" is going to have a rival. A new salmon weinie has made its appearance in Oregon and threatens to invade territory long held sacred to bologna. It is made of ground salmon, seasoned and stuffed into casings and smoked.

It is void of any "fishy" taste and its originator, Andrew Zuercher of Nehalem, Ore., claims it will keep indefinitely.

### CHANCE IS GIVEN TO AMEND BILL

In an opinion handed down by Judge James A. Chambers at court today in the case of David T. Nelson against Thomas M. Donnelly, preliminary objection to a bill in equity are sustained and the plaintiff is permitted to amend his bill.

The case grows out of a real estate deal in which Nelson claimed that he had overpaid \$410 on a contract, and is seeking to secure a return of the money.

### JAIL R. R. PROWLER FOR CAR TAMPERING

Mallicious prowling about in the Gardner avenue yards of the B. & O. railroad brought to Fred Williams, 35, Zanesville, O., a 20-day sentence in the county jail.

Williams pleaded guilty when arraigned before Alderman Wallace J. Ewing by Patrolman Carl Wright of the B. & O. on a charge of malicious trespassing. He confessed to car tampering.

To tiny Marilyn Morris, of Troy, N. Y., belongs the distinction of being the world's youngest radio broadcaster. When only two hours and 45 minutes old, Baby Marilyn's robust voice was heard over a radius of 5,000 miles. She broadcast over the short-wave transmission set of her father, Robert M. Morris, a well-known amateur radio enthusiast.

### Broadcasting Her Arrival

PORTLAND, Ore., Mar. 31.—The "Hot Dog" is going to have a rival. A new salmon weinie has made its appearance in Oregon and threatens to invade territory long held sacred to bologna. It is made of ground salmon, seasoned and stuffed into casings and smoked.

It is void of any "fishy" taste and its originator, Andrew Zuercher of Nehalem, Ore., claims it will keep indefinitely.

### CHANCE IS GIVEN TO AMEND BILL

In an opinion handed down by Judge James A. Chambers at court today in the case of David T. Nelson against Thomas M. Donnelly, preliminary objection to a bill in equity are sustained and the plaintiff is permitted to amend his bill.

The case grows out of a real estate deal in which Nelson claimed that he had overpaid \$410 on a contract, and is seeking to secure a return of the money.

### JAIL R. R. PROWLER FOR CAR TAMPERING

Mallicious prowling about in the Gardner avenue yards of the B. & O. railroad brought to Fred Williams, 35, Zanesville, O., a 20-day sentence in the county jail.

Williams pleaded guilty when arraigned before Alderman Wallace J. Ewing by Patrolman Carl Wright of the B. & O. on a charge of malicious trespassing. He confessed to car tampering.

**Negro Held For An Investigation**  
Robt. McFall, negro, is being held by the police, pending a further investigation of his actions early this morning, shortly after three o'clock when James Fowler, taxicab operator, found him attempting to start his machine, which he had parked on Moravia street near Lutton st. while he was taking a passenger to his destination.

**Agrees To Adjust Claim By Newton**  
Henry B. Newton today appeared before city council which met in the city building and explained how he damaged his car badly when the frost "blew out" some blocks on the Gardner avenue viaduct. He asked council to bear the expense of getting him an old motor for his car. The hole had been there for some time, it was reported. At the time the director of the department, S. W. Treser, was ill with influenza. Today council gave Treser authority to adjust the matter.

## Ben Franklin Hi Has Fine Record

Coach 'Bill' Wallace Leads Team To 20 Victories, 5 Defeats, In 1933

Zuk Is High Scorer With 123 Points; DeMartino Second With 121

Ben Franklin Junior High basketball team has ended a most successful season, one of the best in the history of the East Side Junior high school. The "Bill" Wallace coached machine won 20 games and lost but five. Zuk was the high point man with 123 points but was given a real chase by DeMartino who had 121 points. Third place scoring honor went to DeCaprio with 77 points.

### Had Fast Team

Franklin High did not win the Junior High championship, being nosed out by Washington High twice but the Wallaces did beat almost every other team that was East Brook High, Darlington and Harlansburg High. The Franklinites didn't lose any of the class league games.

Coach Wallace had a squad of 18 men and used them all at some time or other during the season. The Franklins had a clever passing and shooting combination and had an easy time winning the majority of their games. Next year it is hoped that the Franklin team can regain the title lost to Washington high.

## Forest A. C. To Organize Team

Forest A. C. Juniors will meet at the Forest A. C. club house on April 5 on Pearl street, for an organization meeting and to discuss the coming baseball and mushball season.

The following are asked to attend the meeting—Joe Cooper, John Cooper, DePorzio, Vanassa, Mumford, Claypool, Padula, Henle, Stoner, Young, Jay, Ross, Monsey, Green, Jacobson, DeMarco, Janacome, Syriane, and the mascot A. Janacome, and also J. DeMarco. Each member of the team will be assessed two cents for clubhouse purposes.

## First M. E. To Play Wesley

Championship Of Church League To Be Decided Saturday Night

BOTH TEAMS ARE DIVISION WINNERS

Wesley M. E. and First M. E. basketball teams of the Church League will play for the league championship Saturday night at the Y and no doubt one of the biggest basketball crowds of the season will flock to the embrolio.

Wesley captured the season's title of the A division and First M. E. won the season's flag for the B loop. There will be only one game played to decide the league championship, and it will start at 8:30 p. m. according to Athletic Director Henry MacNichols.

## Frank Churchill Dies On Coast

World Famous Manager Of Boxers Dies Suddenly Of Heart Attack On Beach

(International News Service) LA HABRA, Cal., Mar. 31.—Frank Churchill, 59, world famous manager of boxers who brought to the championship such figures as Pancho Villa, Tod Morgan, and Mike Ballerino, died at his ranch home here Thursday following a heart attack.

Churchill introduced Filipino boxers to the United States.

"BIG SHOTS" LET "HAMS" STICK CLOSE

Know why the good teams let the hams "steal" uncontested laps in six day bike grinds? The pedal pushers are paid by the day, but their contracts carry a joker saying they may be tossed out if more than five laps behind the leaders. Hence, the big shots let the hams stick reasonably close, the "race" looks as if it deserved to be called that, the management profits accordingly and the dub riders get a little extra dough.

### RECORDS INCORRECT

The records of the season published by the St. Mary's Reserves and the Franklin Big Bens contained the fact that both teams had defeated the Polish Falcons big team, which is not correct, this should have read the Polish Falcon Reserves according to Andy Mehlich, business manager of the Falcons.

## HERE AND THERE IN SPORTS' LAND

Frank Demarce will try to fill the gap opened in the Chicago Cubs lineup when Kiki Cuyler fractured a bone in his ankle.

Baseball club managers of the Lawrence County loop and umpires will meet Monday night at the Sports Good store.

University of Minnesota won first, Carnegie Tech, second and Pitt, third in the 1933 national championship collegiate shoot.

Frank Churchill, boxing manager, who died yesterday in California is known here. He was the first to bring Filipino boxers to the United States.

Petrolia defeated Bears 24 to 21 last night at Butler and leads by two games in the playoff for the Butler county title.

A. A. U. handball national championship will be held at Erie, beginning April 20 and concluding April 22.

Walter Spence, national collegiate champion from Rutgers, last night won the first of the National Amateur Athletic Union 1933 swimming titles, winning the 100 yard free style crown by an arm's length over Al Schwartz, former national champion of the Illinois A. C. in Chicago.

Wyoming Valley Kennel Club will stage its first annual dog show at Wilkes Barre April 26-27. The show will be conducted in the 109th F. A. armory at Kingston, under the rules of the A. K. C. which constitutes a championship point show. George F. Philadelphia, will supervise. Eleven nationally known judges will officiate. Liberal cash prizes and beautiful trophies will be distributed.

William Duncan, one of America's best known yachtsmen, passed away at New York. He was 71. Two years ago he was chairman of the America's cup committee.

Abbie Booth and Jack Cooley are reported to be dickering for the New Haven franchise in the Eastern league which may be revived.

## Reibers Play Canaries Here

Tuesday Night's Feature Game To Contain Local Stars

PLAYERS PRACTICE FOR TOURNAMENT

Basketball stars will cast their rays from all sections of the floor Tuesday night at the Y when the Lawrence County Basketball meet gets under way. Four games are scheduled, according to Henry MacNichols, tournament sponsor.

The feature game will be the Reibers vs Canaries. The former is composed of former 1932-33 players, namely, Bus Reiber, Johnny Uram, Nick Uram, Andy Lasky, Kelly, Topica, Kominc and Battley. The Canaries formidable basketweavers will be Sid, Elroy and Harry Lockley, Ralph Brooks, Bill Wallace, Dee Emerick, Tom Connelly, John McIvor and Bill Spencer.

The other games will bring together Mahoning Presbyterian vs Mt. Jackson Scholastics, Eckles vs Ellwood City, Smiths and St. Andrew vs Bessemer.

All the teams entered in the tournament are holding practice sessions.

### SAY NEW "FLARE" WILL BURN IN RAIN

(International News Service) LANGHORNE, Pa., Mar. 31.—State police of the South Langhorne barracks are experimenting with a new type of flare to be used to warn motorists of accidents along the Lincoln highway.

The flares, visible over a radius of about two miles, will burn under water or in the rain. State troopers believe the flares will prevent many of the 400 accidents now occurring annually in the district.

## Cardinals Have Little Hope Of Winning Pennant

Manager Gabby Street Has Hands Full Trying To Piece Crippled Team

PEPPER MARTIN BENCH WARMING

(International News Service) BRADENTON, Fla., Mar. 31.—World champions a year ago, the St. Louis Cardinals today are beating down that familiar come-back trail. The 1932 Cardinals staggered across the finishing line in a tie for sixth place.

President Sam Bradenton and Vice-president Branch Rickey went to work. They traded, released, purchased and threw together a crazy-quilt combination for Gabby Street who faces these problems:

First base—equal to Jimmy Collins of last year's squad and Pat Crawford brought in from Columbus.

Second base—Rajah Hornsby, fired by the Cubs last summer. Rog insists he'll hit .340.

Shortstop—Gordon Slade from Brooklyn, Charley Wilson from Rochester, Sparky Adams and probably half a dozen others. Charley Gelbert threw a monkey-wrench into the shortstop situation when he shot himself in the left leg on a hunting expedition last winter.

Hornsby On Second Third base—Frankie Frisch, providing Hornsby holds up at second. If the Rajah flops then the Fordham flash will return to his old station and the hot corner will present another ton of worries for Street.

Outfield—Ernie Ott, George Watkins, Ethan Allen of the Giants, Estel Crabtree of the Reds, Joe Medwisch of Houston, Ray Pepper of Rochester and John Leonard Martin, the series hero of 1931.

It is barely possible that Martin will be one of the bench-warmers on the variety. Or he may be the shortstopper. Then again he may play third base, or perhaps carry the water bucket.

Catchers—everything's a jake with Jimmy Wilson on the job. Bob O'Farrell, formerly of the Giants, will understudy for Wilson. Two Kids—William Delancey, junior, a cute little name from Springfield, Mo., and William H. Lewis from Greensboro, N. C., are around with masks and mitts. They'll return to the minors before the curtain goes up in April.

Pitchers Are Good Pitcher—Jerome Herman Dean, Tex Carleton, Paul Derringer, Albert Fisher, Jesse Haines, William Hallahan, Jim Lindsey, Jim Mooney, Ted Nobriga, Allyn Stout, Bill Walker, Jim Winford and perhaps the great dazler man—Arthur C. Vance. It is perhaps the best pitching staff in the league.

Thus, it's pitching that is expected to carry the Cardinals down the saw-dust trail next summer. The infield and outfield are uncertain.

## Marcellas Will Play Saturday

Marcellas mushball team will play their opening mushball game of the season Saturday afternoon at the B. & O. field by meeting the fast St. Monics of Wampum. The game is scheduled for 2:30 o'clock.

Coach Thomas will have a fast starting lineup against the Marcellas boys. Both teams are evenly matched and a good game is expected.

### Carpenter o-Grande

Grande Gets Up After Being Hit Low In Eighth Slug 10 Fast Rounds

(International News Service) NEW YORK, Mar. 31.—The National A. A. U. swimming championship tournament at the New York A. C. may become a walkover for the three Spence brothers, it appeared today.

Wallace Spence captured the 300-yard medley last night and Walter Spence, the Rutgers star, won the 100-yard free-style. Today, Leonard the youngest of the brothers will defend his 220 yard breast stroke championship. Between them, they are favored to annex four or five titles.

The New York A. C. leads for the team trophy with 13 points, Michigan is second with 8 and the Port Wayne Y. M. C. A. third with 5.

They fought themselves in and fought themselves out. They paid scant attention to the referee. The bell to start and finish was their signal and the bout hadn't gone only a round or two until the fans had been worked into a frenzy of excitement.

In the fifth round they stood toe to toe for the entire three minutes. They jabbed, crossed and hooked. Neither would take a backward step. It was the sort of a fight that fans had dreamed of some day seeing between two good hitting flyweights.

During the eighth round Carpenter hit low and Grande dropped to the floor. He crawled to his feet at the count of three and plunged

## Greyhounds Close Successful Season

Greyhounds have ended their basketball season having won 16 games and lost three. Franklin Big Bens and the Rotary were the only two teams to beat the Greyhounds. Big Bens turned the trick twice. Captain Harry Wyman was high point scorer with 187 points, Willard Martin, second with 101 and Harold Reardon, third with 74. Lewis Hanon was the manager. Strongest junior teams in the city were opponents of the Greyhounds.

## Walsh Selects Yankees Again To Take Honors

Washington Looks Like A Good Second Place Team, With Athletics Third

CLEVELAND MAY FINISH FOURTH

By DAVID J. WALSH International News Service Sports Editor

NEW YORK, Mar. 31.—Somebody once said that the only difference between a sport writer and rest of the people is that he has to do his explaining in public, but naturally I resent that bitterly and do not hesitate to say that it is very misleading.

As a matter of fact, he even has to do his guessing in public and we can now proceed from that point with the statement that, when I say the New York Yankees are the best club in baseball the same is no portion of a guess. Anyhow there didn't seem to be any guess about it that last day out there in Chicago six months ago and, if in the meantime anything has happened to change this, it has been pretty furtive and underhand.

### Senators Stronger.

In fact, nothing has happened to change anything in the American league. The Washington Senators are a little stronger, the Philadelphia Athletics maybe a little weaker. The rest of the league, with minor exceptions, remains as it was last October, with no second division club having made enough improvement to displace a first division finisher of 1932.

The strength of the league, therefore, figures to run down the table in this manner:

1. New York Yankees.
2. Washington Senators.
3. Philadelphia Athletics.
4. Cleveland Indians.
5. St. Louis Browns.
6. Detroit Tigers.
7. Chicago White Sox.
8. Boston Red Sox.

These, by the way, are current estimates, based on normal expectations, as of today. It may be that I'm a little backward in these things, but I can't tell you what's going to happen six months from now.

### SEASON TICKETS AVAILABLE MONDAY

Season tickets for the New Castle golf links will be available at the municipal course office, Monday, according to Phil G. Greer, controller. The price recently was fixed at \$10 by the civilian committee. No date has been set for the official opening.

From time to time one heard of them fighting but neither got any higher on the flyweight fistic ladder. They apparently had fought each other out. They did not meet again in a return bout being satisfied with the draw verdict.

Boxer vs slugger occurred when Sammy Harris, built like Tony Herrera shot blows straight to the point. Lupica, owing to his squat build had to fight in close and swinging overhand chops.

Frank Munroe of Pittsburgh met K. O. Huske, a husky Akronite in a six round bout. It was a furious six round whirlwind teemed with punch. At the end of the bout the decision was given Munroe. Some fans thought Huske deserved a draw.

Chuck Taggart hit Warren Farrow with a right to the jaw in the third and Farrow's head hit the floor. The bout was stopped. Billy Murphy floored Johnny Lang in the second. He got up groggy at the count of two. The bout was stopped.

## Walsh Selects Pittsburgh To Capture Flag

International News Sports Editor Thinks Pirates Best In National League

PIRATE INFIELD IS LITTLE SHAKY

By DAVID J. WALSH International News Service Sports Editor

NEW YORK, Mar. 31.—If this particular outburst had been committed forty-eight hours ago, it would have been necessary to consider the Chicago Cubs as a ball team with a man by the name of Cuyler playing a great deal of centerfield.

He will not play a great deal of centerfield now or, in fact, any at all, the gentleman having broken a careless leg, which only goes to show how penetrating the press boys are. They did not seem to know, as much as a few hours in advance, that Cuyler intended to break his leg, yet are able to say with absolute assurance just what will happen to entire ball teams six months hence.

### Picks Pirates First

I'm unable to do this, having once been kicked by a horse, so all I can do is talk about the National League in relation to its known or admitted or suspected strength, as of March 31, 1933. Thus:

1. Pittsburgh Pirates
2. Chicago Cubs
3. Phillies
4. Brooklyn Dodgers
5. St. Louis Cardinals
6. New York Giants
7. Boston Braves
8. Cincinnati Reds.

### Cubs Miss Cuyler

As it is, the loss of Cuyler for six weeks or more, changes the Cubs' outlook without greatly altering their status. It only confirmed my impression that they did what winning was coming to them in 1932 and are not due this time. Few teams come back off the beating they took in the last World Series, anyhow. Besides, Charley Grimm is a victim of lumbago, which is pretty close to gout, which is closer than that to old age, and the slathering those pitchers got from the Yanks was significant. You don't make cricket scores unless you're facing cricket bowling.

The Pirates aren't fool-proof. Their infield got hysterics and their pitching went wire-haired in the stretch last year but they almost bled enough then and, with the addition of Lindstrom, they have even a little more now. Perhaps, too, the young men have been able to master their composure in the meantime. Anyhow, they look the part of the best club in the league right now.

Perhaps I've got the Phillies too high and the Cardinals, Giants and Braves too low. Naturally, I don't think so. The Phillies, outside of pitching, have everything a ball club needs, even a fair second baseman where last year they had a minor leaguer. It isn't going too far with them to take them from fourth to third place under these circumstances.

The Cards? Great pitching, good hitting and an infield that only Joe Santillon could appreciate. Hornsby, who wasn't good enough for the Cubs, Slade, who wasn't good enough for the Dodgers, Bottomley gone; they'll miss his hitting. Gelbert probably out for the year; that Young alone represents the difference between a real contender and the second division.

Marshall's Shipping The Braves? Same old story, no punch, plus the fact that Maranville, the spark, is finally beginning to flicker. They've always been spring winners. This time they're not. That isn't necessarily conclusive but I don't suppose it has caused anybody to wire on ahead to the committee of welcome, either.

The Reds, in fact, may come on to beat the Braves or even the Giants or even both. They may be just another ball club but they're nobody's sap.

### Need Shortstop

The Giants? No shortstop, or at least none until Jackie proves that he can no again. Likewise almost no second baseman; anyhow, not the last time I heard. Furthermore, one pitcher. I can't see the Giants as having improved their sixth-place rating of 1932.

The Cards? Great pitching, good hitting and an infield that only Joe Santillon could appreciate. Hornsby, who wasn't good enough for the Cubs, Slade, who wasn't good enough for the Dodgers, Bottomley gone; they'll miss his hitting. Gelbert probably out for the year; that Young alone represents the difference between a real contender and the second division.

Marshall's Shipping The Braves? Same old story, no punch, plus the fact that Maranville, the spark, is finally beginning to flicker. They've always been spring winners. This time they're not. That isn't necessarily conclusive but I don't suppose it has caused anybody to wire on ahead to the committee of welcome, either.

The Reds, in fact, may come on to beat the Braves or even the Giants or even both. They may be just another ball club but they're nobody's sap.

### Hockey Fan Dies Quite Suddenly

(International News Service) TORONTO, Mar. 31.—Norman Graham, 44 a spectator at the Toronto-Boston hockey game here last night, dropped dead of heart failure when Eddie Shore scored the goal that won the game for Boston.

### ENTRANCE FEES

AMOUNT TO \$86,650

Depression apparently hasn't hit the bowlers. The annual tournament of the A. B. C. this year drew 1,597 five man teams, 2,329 sets of doubles and 4,687 individuals entries with a total entry fee of \$86,650. Not bad, Ronaldo, not bad.

## Polish Falcons Trim Bessemer

Bessemer Team Is Defeated In Good Game Played At Polish Falcon Floor

Steve Volesko's Polish Falcons took a 28 to 22 victory last night at the Falcon floor over the fast Bessemer team, in a game that was exciting in every period. The Falcons came from behind in the first quarter to win the game.

The Bessemer quintet led 6 to 2 at the end of the first period and the end of the half found the Falcons leading 17 to 10. The playing of H. Koszella, Budai and Dudek was the best for the Falcons, with Plevnic having 15 points for Bessemer and playing a fine game.

Saturday the Falcons will journey to McKeesport for a Falcon League game. This is the final game of the league season for the locals and they are anxious to win. The Falcons are in second place in the league standing.

The summary:

Polish Falcons 28. Fe. F. Tp. S. Koszella, f. 0 0 0

## Spring Training To Start Monday

New Castle High Candidates Will Be Called For Practice Monday Afternoon

Unless there is snow two inches deep or a squall Monday afternoon Coach Phil Bridenbaugh will take a look at the 1933 material for his "Red Hurricane" New Castle high school football team at Taggart field.

The spring training grind is about to begin. Faculty Manager Ralph H. Gardner has scheduled Canton McKinley High for a night spring game. The Ohioans will be strong and will give New Castle the necessary test. It is just possible that after the Canton game will be played, but final arrangements for this game have not been made.

There will be a lot of familiar faces missing when Bridenbaugh assembles his "Hurricane", co-players of last year. Captain Walter Kominc will lead the team.

Nine Regulars Left

The men lost for this fall will be Captain Mike DeCarbo, William Duff, Ron Thomas, Rocco Tomalio, Tommy Rambo, Johnny Uram, Patsy James, and several others.

Remaining will be Fred Shello, Alex Shello, Raskowski, Nickum, Lane, Ridley, Howley, Palkovitch, and several others.

It is expected that squad of perhaps 50 to 60 men, will report. The uniforms are limited. Bridenbaugh faces a tough task in whipping a team into shape with the loss of so many stellar performers, but the popular New Castle motor can be depended upon to put a first class team on the field.

Some News, Some Views, But  
Mostly Just Observations  
Of Interesting Things  
Around New Castle

Getting yourself arrested tomorrow will be a matter of color. Carry a pink label and you will be safe from the highly patrol, at least on the charge of not having your car inspected. Carry a yellow one and you are writing your own ticket.

And color blindness will be no defense. You see, March 31 is the last day to get your car inspected, if you didn't know, and from a checkup along the streets yesterday, a lot of the folks didn't know or forgot all about it.

Dropped around to a minstrel show last night in the George Washington school. It takes about one minstrel show per winter to satisfy the entertainment appetite for us and last night's was the one we needed.

Some burned cork, a few jokes, a helping of ballad singers and a few end songs, an orchestra, a sprinkling of buck dancing and there you are. The formula never changes. The jokes get worn at the edges, but a minstrel is always new.

This one was good, not only because of itself, but because of the reason for its presentation. The Lions and Kiwanis clubs were backing it for the work they are carrying on among the blind and the underprivileged children. Every dime taken in is going to do double duty and nobody who went could say they didn't get their money's worth.

More cards from Harold Baer, this time from Athens and Venice. In Athens he visited the Temple of Theseus but says nothing about swimming in the Grand Canal in Venice. Must be quite a town this Venice. A place where street cleaners are probably called water wings instead of white wings.

It seems now that the law of 1705 prohibits the drinking of beer on

## Man Drinks Self To Sudden Death

UNIONTOWN, Pa., Mar. 31—On the road to recovery, but refused water in large quantities, Arthur Houze, 44 of Point Marion, died after he is said to have drained contents of a water pitcher near his bed. Houze had suffered from pneumonia and dropsy. He was left alone a short time and is said to have taken the draught of water, which is given as the cause of his relapse.

## WARD BAKING TRUCK NOT IN ACCIDENT

It was recently stated in the account of the inquest held in the death of Robert Mathews, seven-year-old East Brook school student, that the driver of the truck which ran down the little boy was employed by the Ward Baking Co. The driver, Richard O'Brien, it develops was employed by the Keystone Baking company.

## MRS. MILLER NAMED TRUSTEE OF COLLEGE

AT SLIPPERY ROCK  
SLIPPERY ROCK, Pa., Mar. 31—Mrs. Carroll Miller, prominent Pittsburgh Democratic political worker, today was appointed as a trustee of

Slippery Rock State Teacher's College by Governor Gifford Pinchot. Her appointment fills the vacancy caused by the death of the late former Judge James M. Galbreath of Butler.

Mrs. Miller is owner of the old Cooper estate, west of town, one of the first settlements in Northern Butler county and upon which is erected a tablet commemorating a treaty between Indians and Nathaniel Cooper, pioneer settler, more than 125 years ago.

The farm is one of the show places of Western Pennsylvania, since its acquisition by Mrs. Miller and she spends much of her leisure time there.

## For Coughs or Weakness

REGULATE your stomach and liver and build up the blood with Dr. Pierce's Golden Medical Discovery. The entire system feels the beneficial effect. Your appetite increases, you feel more peppy than you've felt in years and you'll not be subject to colds. This is made miserable by bacterial trouble and catarrh in my head. I had no appetite, had indigestion and sour stomach. I used a couple of bottles of Dr. Pierce's Golden Medical Discovery. It cleared up that bronchial condition. I rested well at night, no longer had indigestion and felt a thousand per cent better.
